

# An Environmental Search

You can become more familiar with environmental issues and get to know The Times better by going on a newspaper scavenger hunt. Working in teams, find as many items in the newspaper as you can from the list of environmental items below.

## SECTION & PAGE NUMBER

- \_\_\_\_\_ A picture of a product or activity that could pollute the waterways if allowed to enter the storm drains.
- \_\_\_\_\_ A product made from recycled goods.
- \_\_\_\_\_ A photograph that illustrates an urgent environmental concern.
- \_\_\_\_\_ A photograph illustrating a natural resource.
- \_\_\_\_\_ A word or picture illustrating recycling of items such as paper, metal, plastic, glass, yard waste, or motor oil.
- \_\_\_\_\_ A comic strip or editorial cartoon dealing with an environmental issue.
- \_\_\_\_\_ A company, organization, or individual that is doing something to help the environment.
- \_\_\_\_\_ A word or picture of a product that could become household hazardous waste if not disposed of properly, such as motor oil, pesticide, paint, etc.
