Dear Senator Simitian:

**SENATE BILL 26 (AMENDED JANUARY 20, 2010)**

The Los Angeles County Solid Waste Management Committee/Integrated Waste Management Task Force (Task Force) hereby **removes its support** of Senate Bill 26, which was gutted and amended, and no longer includes the provisions which the Task Force previously supported.

Pursuant to Chapter 3.67 of the Los Angeles County Code and the California Integrated Waste Management Act of 1989 (Assembly Bill 939, as amended), the Task Force is responsible for coordinating the development of all major solid waste planning documents prepared for the County of Los Angeles and the 88 cities in Los Angeles County with a combined population in excess of ten million. Consistent with these responsibilities and to ensure a coordinated and cost-effective and environmentally sound solid waste management system in Los Angeles County, the Task Force also addresses issues impacting the system on a countywide basis. The Task Force membership includes representatives of the League of California Cities-Los Angeles County Division, County of Los Angeles Board of Supervisors, City of Los Angeles, waste management industry, environmental groups, the public, and a number of other governmental agencies.
