***** FLOOR ALERT *****

TO: California State Senators

FROM: Los Angeles County Solid Waste Management Committee/
Integrated Waste Management Task Force

**SUPPORT – ASSEMBLY BILL 2247 (BLOOM) AS AMENDED ON AUGUST 11, 2022 –
PERFLUOROALKYL AND POLYFLUOROALKYL SUBSTANCES (PFAS) AND PFAS
PRODUCTS AND PRODUCT COMPONENTS: PUBLICLY ACCESSIBLE DATA COLLECTION
INTERFACE**

The Los Angeles County Solid Waste Management Committee/Integrated Waste Management Task Force (Task Force) **SUPPORTS** Assembly Bill 2247, as amended on August 11, 2022.

The proposed legislation, if enacted, would require the Department of Toxic Substances Control to work with the Interstate Clearinghouse to establish a publicly accessible data collection interface to collect information about PFAS and products or products components containing intentionally added PFAS.

The Task Force is in support of such a measure as it provides an interface that collects information on the presence of PFAS chemicals of concern in domestic, commercial, and industrial sources to explore how best to mitigate its harmful impacts.

As provided by Assembly Bill 939 (1989) and Chapter 3.67 of the Los Angeles County Code, the Task Force is responsible for coordinating the development of major solid waste planning documents for Los Angeles County and the 88 cities in the County with a population of over ten million. The Task Force addresses issues impacting the solid waste management system on a countywide basis.

Based on the foregoing, the Task Force **SUPPORTS Assembly Bill 2247 and requests your AYE vote on the bill.** If you have any questions, please contact Mr. Mike Mohajer, a member of the Task Force, at MikeMohajer@yahoo.com or (909) 592-1147.

cc: Assembly Member (Bloom, Ting)
Senator Allen
