Dear Mr. Batson:

**UPDATE TO CITY OF MONTEBELLO'S NONDISPOSAL FACILITY ELEMENT
NOVEMBER 20, 2013**

The Los Angeles County Solid Waste Management Committee/Integrated Waste Management Task Force (Task Force) would like to thank the City of Montebello (City) for providing a copy of the City's updated Non-Disposal Facility Element (NDFE) to the Task Force in accordance with Public Resource Code, Section 41734.5.

We understand that the City's update added Commercial Waste Services, Inc., as a medium volume construction, demolition, and inert (CDI) material processing facility to the City's original NDFE, which was adopted on October 20, 1994.

We request that the facility owner/operator submit monthly electronic reports on a quarterly basis (within 30 days of the end of the quarter) to the Task Force c/o the County of Los Angeles Department of Public Works, Environmental Programs Division, at www.lacountyiswms.org. The report should contain the type and quantity of waste (by weight and jurisdiction) received for processing, recycling, and disposal at offsite facilities (see enclosed Form 7).
