Dear Secretary Adams:

**LOS ANGELES COUNTY SOLID WASTE MANAGEMENT COMMITTEE/  
INTEGRATED WASTE MANAGEMENT TASK FORCE INVITATION**

On behalf of the Los Angeles County Solid Waste Management Committee/Integrated Waste Management Task Force (Task Force), I would like to congratulate you on your appointment as Secretary of California's Environmental Protection Agency. Solid waste management, and its impact on California's environment, presents both challenges and opportunities to state and local governments. The Task Force commends you on your three decades of civil service, and looks forward to working with you and your agency on future solid waste management issues.

The Task Force would like to extend to you an open invitation to attend one of our meetings. The Task Force coordinates the development of all major solid waste planning documents prepared for the County of Los Angeles and the 88 cities within Los Angeles County. It ensures a coordinated, cost-effective solid waste management system and addresses issues impacting the system on a Countywide and regional basis.

The Task Force meetings are generally scheduled for 1:00 p.m. on the third Thursday of each month at the County of Los Angeles' Department of Public Works headquarters, 900 South Fremont Avenue, Alhambra, California. We would be pleased to have you attend our next meeting, which is scheduled for September 21, 2006. Agendas and minutes of previous and future meetings are available online at [www.lacountyiswmtf.org](http://www.lacountyiswmtf.org).
