

Foothill Boulevard Medians

Foothill Boulevard Medians

- **Project Scope:**

Construct landscaped and irrigated medians along Foothill Boulevard in the unincorporated community of La Crescenta.

- **Project Benefits:**

This project beautifies the neighborhood's main corridor and establishes community identity by installing medians with landscaped features that accentuate this area and enhance community identity.

- **Community Outreach:**

Public Works met with Fifth District staff and representatives of the Crescenta Valley Town Council to initiate the project. An initial community outreach meeting was held on April 26, 2016, and Public Works staff has held follow-up meetings with Fifth District staff and the community. A project information flyer will be sent after the project is awarded, and a pre-construction brochure will be provided a week prior to start of construction.

- **Project Location:**

Unincorporated community of La Crescenta. Foothill Boulevard from Pennsylvania Avenue to Briggs Avenue.

- **Cost Estimate:**

- Total Project: \$1.6 million
- Construction Cost: \$864,000

- **Economic Impact:** Project construction supports 9 direct and indirect jobs.

- **Estimated Start of Construction:** Early 2018
