

Foothill Boulevard Rosemead Boulevard to Michillinda Avenue

Location Map

Foothill Boulevard Rosemead Boulevard to Michillinda Avenue

- **Project Scope:** Working in concert with the Cities of Pasadena and Arcadia, Public Works has designed and is managing the construction of the following roadway improvements:
 - Roadway resurfacing
 - Sidewalk repairs
 - ADA-compliant curb ramps
 - Traffic signal modifications
 - New sidewalk
- **Project Benefits:** Improves quality of life for residents and lessens wear and tear on vehicles. Also reduces delay experienced by motorists, which helps improve safety and reduce fuel consumption and emissions.
- **Community Outreach:** A pre-construction brochure was provided prior to the start of construction.
- **Project location:** Unincorporated County community of East Pasadena and the Cities of Pasadena and Arcadia:
 - Foothill Boulevard between Rosemead Boulevard and Michillinda Avenue
 - Michillinda Avenue between I-210 on-ramp and 80 feet north. (New sidewalk only)
 - Huntington Drive between Oakforest Lane and Lotus Avenue (New sidewalk only)
- **Cost Estimate:**
 - Total Project: \$3.3 million
 - Construction: \$1.5 million
- **Economic Impact:** Project construction supports 15 direct and indirect jobs.
- **Construction timeline:** February 2017 to July 2017
