

Mureau Road Roadway and Bikeway Improvements

Location map:

Mureau Road Roadway and Bikeway Improvements

- **Project Scope:**

The primary objective of this project is to resurface the pavement and install bike lanes.

- Minor widening of the road to accommodate bike lanes
- Construction of asphalt curb at edge of new pavement
- Parking removal on both sides of Mureau Rd from the County boundary to 800 feet east of Mountain View Rd

- **Project Benefits:**

The project improves driver rideability and increases the level of comfort for motorists and nearby residents by providing a smooth-riding pavement. The new bike lanes will connect to existing bike lanes on Las Virgenes Rd and Calabasas Rd.

- **Community Outreach:**

A project information flyer and a pre-construction brochure will be provided just after the project has been awarded and a week prior to start of construction, respectively.

- **Project Location:** Unincorporated County area of Calabasas

Mureau Rd from Las Virgenes Rd to the Ventura Freeway.

- **Cost Estimate:**

- Total Project: \$2 million
- Construction: \$850,000
- Reimbursable Bicycle Transportation Account Grant Funds: \$442,000

- **Economic Impact:** Project construction supports 10 direct and indirect jobs.

- **Estimated Start of Construction:** Mid-2018
