

Vermont Avenue Bike Lane

Location Map

Vermont Avenue Bike Lane

- **Project Scope:**

The primary objective of this project is to install a bike lane in the southbound direction on Vermont Av.

- Shift traffic lanes in order to accommodate the bike lane.
- Install bike detector loops at intersections.
- Install bike racks.

- **Project Benefits:**

This project completes the missing transit-bike linkages to the Vermont/Athens Green Line Station.

- **Community Outreach:**

A project information flyer and a pre-construction brochure will be provided just after the project has been awarded and a week prior to start of construction, respectively.

- **Project Location:** Unincorporated County communities of Westmont and West Athens

Vermont Av from Manchester Av to El Segundo Bl

- **Cost Estimate:**

- Total Project: \$1.5 million
- Construction: \$574,000
- Reimbursable Federal Grant Funds: \$580,000
- Reimbursable Local Funds awarded through Metro: \$378,000

- **Economic Impact:** Project construction supports 7 direct and indirect jobs.

- **Estimated Start of Construction:** March 2018
