

LOS ANGELES COUNTY WATERWORKS DISTRICT NO. 29

WAVEVIEW DRIVE AND COLINA DRIVE WATERLINE IMPROVEMENTS

Scope:

Replace approximately 5,600 feet of existing 6-inch water main and upgrade to an 8-inch steel water main. Install 15 new fire hydrants along Waveview Drive and Colina Drive.

Location:

Unincorporated Community of Topanga — Waveview Drive and Colina Drive

Benefits:

Improve water quality, system reliability, and enhance fire flow capacity.

Status:

Concept phase

Start construction:

August 2019

Finish construction:

Late 2019
