

# Compton/Woodley Airport Monthly Newsletter

**December 23, 2024**

## From the Airport Manager

*Latanya Collier (lcollier@dpw.lacounty.gov)*

Hello Compton/Woodley Airport! We want to wish you all a wonderful holiday season and a very happy new year. We will be continuing to conduct hangar inspections. To make arrangements for your hangar inspection and/or if you have any questions about what is required for the inspections, please contact us.

## Airport Ops & Admin

Ramp safety is always a priority. During the past weeks we have observed gusty winds at the airport. If your aircraft is parked on a tiedown, it is very important to ensure that your aircraft is properly secured and chocked to avoid any incidents due to the winds.

Also, if you have a storage bin on your tiedown, please ensure that it is appropriately secured and won't become a hazard to aircrafts, vehicles, and individuals at the airport.

The airport waste bins are emptied every Tuesday and Thursday. Please be sure to only deposit trash inside the containers. Do not leave trash on top or outside of the containers. Also, please be aware that the following items are prohibited from being disposed of in the airport waste bins:

- Electronics (including batteries)
- Tires
- Construction Debris
- Liquids and Hazardous Materials
- Furniture and other Large Bulky Items (need to be broken down)

Your cooperation is greatly appreciated!

## What a Year 2024 Has Been...

The past 12 months have been busy for the County's five general aviation airports! Following are just some of the events and activities at the County airports this past year.

### Brackett Field Airport (KPOC)

- \* The airport was selected by the FAA to receive a new and modern Airport Traffic Control Tower. Site selection is currently underway.
- \* Design is underway for pavement reconstruction and restriping of the north runway and taxiways. Construction is anticipated to begin in 2028.

### Compton/Woodley Airport (KCPM)

- \* Recognized and celebrated the airport's 100th anniversary.

### General Wm. J. Fox Airfield (KWJF)

- \* MH Fuels took over providing retail aviation fueling services from the County in June. They provide self-service 100LL and full-service 100LL and Jet A.

### San Gabriel Valley Airport (KEMT)

- \* The airport was selected by the FAA to receive a new and modern Airport Traffic Control Tower. Site selection is currently underway.
- \* Design is underway for pavement reconstruction and restriping of the runway and taxiways. Construction is anticipated to begin in 2026.

### Whiteman Airport (KWHP)

- \* UL94 unleaded aviation gasoline is available for sale as of June 1st.
- \* Implemented a voluntary nighttime curfew for aircraft operations.
- \* Billion Air Aviation took over retail aviation fuel services from the County in June. They provide self-service 100LL and full-service 100LL and Jet A.

Also this year, Public Works secured preliminary approval from the Federal Aviation Administration of over \$55 million in grant funds for a ten-year infrastructure upgrade plan and implemented a comprehensive Capital Asset Management System for the five County airports.

From all of us at Public Works, we wish you a very happy holiday season and a safe and prosperous new year.
