

LOS ANGELES COUNTY DEPARTMENT OF PUBLIC WORKS

ATTACHMENT NO. 12 - SLURRY MACHINE

1. **LIMIT OF AUTHORIZATION.** This permit is valid only on routes under the jurisdiction of Los Angeles County and/or the incorporated cities which have a current permit issuance agreement with the County. See ATTACHMENT NUMBER 13 "INCORPORATED CITIES – PERMIT ISSUANCE AUTHORITY"
  - This permit is not valid on State Highways or the roadway crossing under or over a State Freeway. A separate moving permit is required from the State (CALTRANS).
  - This permit is **not valid** on streets or bridges that have posted weight limits; unless specifically stated on the face of the permit.
  - This permit is **only valid** during slurry placement operations. During each slurry placement operation, the permittee is required to attach a map showing the location of the material stockpile, streets to be slurry sealed and approved route to and from material stockpile.
  
2. **PARKING OF VEHICLE.** Permittee shall not park the permitted vehicle on any street which is posted "NO PARKING ALLOWED"; unless engaged in slurry placement operations. Also, permittee shall not stand nor park the permitted vehicle where it creates a hazard or traffic obstruction. If at the beginning of a restricted period the vehicle is within a location where it creates a hazard or traffic obstruction; it shall continue to move, using reasonable care or precautions to prevent traffic disruption, to the nearest suitable location where the load may be parked for the duration of the restricted period. An additional encroachment permit may be required from the governing agency. Depending on location.
  
3. **MOVING IN INCLEMENT WEATHER.** Movement shall not occur in snow, fog, rain, or wind when visibility is reduced to less than 1,000 feet (304.8 meters). Movement is prohibited when road surfaces are hazardous or use of tire chains is mandatory. If inclement weather is encountered during the movement of the vehicle, it shall continue to move, using reasonable care and precaution to prevent traffic disruption, to the nearest suitable location to where the load may be parked until the inclement weather passes. The speed limit shall not exceed 25 mph or the posted speed whichever is less when moving to park at the nearest suitable location.
  
4. **OPERATING HOURS.** This permit is valid within the period of 7 a.m. to 5 p.m., Monday through Friday. Unless specifically stated otherwise on the face of the permit, moving is prohibited on Saturday, Sunday, and no movement shall be allowed during the following holidays (National day observation):
 

New Years	Fourth of July	Thanksgiving (and the following day)
Memorial Day	Labor Day	Christmas
  
5. **PERMIT TO BE CARRIED ON VEHICLE.** This permit is valid only when it is carried on the permitted vehicle.
  
6. **PERMIT SUBJECT TO INSPECTION.** This permit is the property of the Los Angeles County Department of Public Works and must be surrendered upon demand to any law enforcement officer or employee of the Los Angeles County Department of Public Works charged with the care and protection of highways.
  
7. **COMPLY WITH APPLICABLE LAWS.** Except as specifically authorized in the permit; the requirements of the California Vehicle Code and any other applicable laws must be complied with at all times.
  
8. **ALLOWABLE OVERWEIGHT.** Axle weights shall not exceed those shown on the face of the permit. All gross loads in excess of 75 tons shall not exceed 15 M.P.H., when approaching any crossing or structure.
