

CHANGE IN SERVICE AREA

COMING SOON

Beginning July 6th, 2026, all Building and Safety permits on private property in the unincorporated LA County areas of Torrance and Harbor City (see map below), will be managed by the Lomita District Office, located at 24320 S. Narbonne Ave, Lomita, CA 90717.

Reassigning Building and Safety services from the Southwest District Office to the Lomita District Office for these unincorporated areas provides a more convenient location for customers and improved efficiency in processing permits.

Please continue to use EPIC-LA to submit plan check and permit applications and to request inspections at:

<https://epicla.lacounty.gov/>

For in-person service and communication during business hours, please visit:

24320 S. Narbonne Ave.
Lomita, CA 90717
Phone: (310) 534-3760
