

## **Construction Notification**

### **Coastline Drive Waterline Improvements**

Los Angeles County Public Works will begin work to replace a water main in the Sunset Mesa community on Coastline Drive, between Pacific Coast Highway and Castlerock Road, as shown on the map below. The project will improve water supply reliability for Los Angeles County Waterworks District No. 29 customers.

Construction is expected to begin the week of May 5, 2025 and be completed by the second quarter of 2026.

Construction activities on Coastline Drive will take place from Monday to Friday, from 7:00 a.m. to 5:00 p.m. Traffic access will be maintained throughout the project limits using temporarily restricted lanes.

The Sunset Mesa Tank site (shown below) will serve as a staging area for all construction operations, including delivery and storage of construction materials/equipment and preparation of water mains for installation. Work within the staging area is planned between 7:00 a.m. and 5:00 p.m. during workdays.

Customers will be notified of any scheduled water service interruption at least 24 hours in advance.

## PROJECT LIMITS

For additional project information, click [here](#) for the project fact sheet or scan the following QR code:

For questions about project construction, contact Public Works Construction Manager, Navid Ehsan, at (949) 228-4982 or [nehsan@dpw.lacounty.gov](mailto:nehsan@dpw.lacounty.gov) from 7 a.m. to 5 p.m., Monday through Friday.

For questions about water service, contact LA County Waterworks, Monday through Friday from 8 a.m. to 5 p.m. at (877) 637-3661, press 2 for 24-hour Dispatch Center for after-hours emergencies.

Media inquiries can be directed to [pio@pw.lacounty.gov](mailto:pio@pw.lacounty.gov) or call Dispatch Center.
