

## Las Flores Water Main Improvements Project

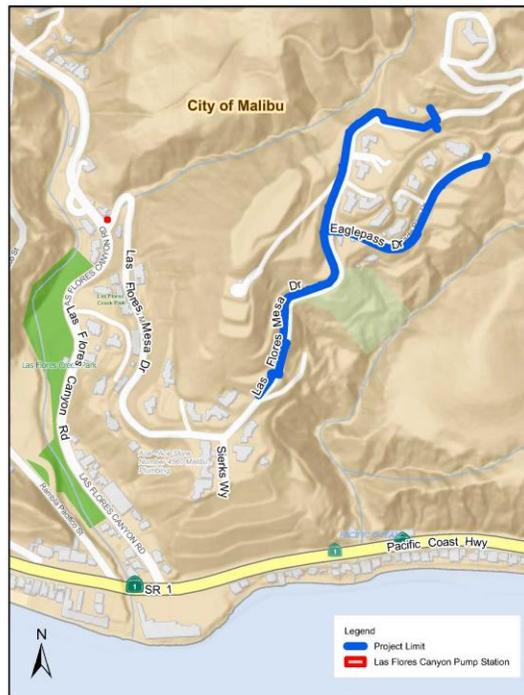

Los Angeles County Public Works is finalizing design plans to replace existing water mains and improve the pump station in your neighborhood. This project is part of a comprehensive capital improvement program to upgrade aging infrastructure and enhance water system resilience for the Los Angeles County Waterworks District No. 29 (District).

Please note that the two non-native trees at the pump station, located on the District-owned parcel at the intersection of Las Flores Canyon Rd and Las Flores Mesa Dr, will need to be removed to support these improvements. Thank you for your understanding and support as we work to ensure a safe, reliable water system for all residents.

### Key Dates:

- Completion of design plans is expected in Spring 2026.
- Project construction is expected to begin in October 2026.
  - Monday through Friday between 7:00 a.m. and 3:30 p.m.

### PROJECT LIMITS

If you have any questions regarding this project, please contact the Project Manager Katrine Usi at (626) 941-1655, Monday through Thursday between 8:00 a.m. and 5:00 p.m. or by email at [kusi@dpw.lacounty.gov](mailto:kusi@dpw.lacounty.gov).

For questions about water service, please contact LA County Waterworks at (877) 637-3661, Monday through Friday between 8:00 a.m. and 5:00 p.m.

For after-hours emergencies, please contact: LA County Public Works 24-hour Dispatch Center at (800) 675-4357 (HELP).
