Dear Supervisors:

**WATER RESOURCES CORE SERVICE AREA
LOS ANGELES COUNTY WATERWORKS DISTRICT NO. 40, ANTELOPE VALLEY
ANNEXATION 40-168 (4-224)
LOCAL AGENCY FORMATION COMMISSION DESIGNATION 2024-10
NEGOTIATED PROPERTY TAX EXCHANGE JOINT RESOLUTION
(SUPERVISORIAL DISTRICT 5)
(3-VOTES)**

SUBJECT

Public Works is seeking Board approval to adopt the Negotiated Property Tax Exchange Joint Resolution associated with the annexation of territory into the Los Angeles County Waterworks District No. 40, Antelope Valley.

IT IS RECOMMENDED THAT THE BOARD ACTING AS THE GOVERNING BODY OF THE COUNTY OF LOS ANGELES, THE LOS ANGELES COUNTY LIBRARY, THE CONSOLIDATED FIRE PROTECTION DISTRICT OF LOS ANGELES COUNTY, AND THE LOS ANGELES COUNTY WATERWORKS DISTRICT NO. 40, ANTELOPE VALLEY:

1. Find that the adoption of the Negotiated Property Tax Exchange Joint Resolution for Annexation 40-168 (4-224) and the resulting share of the ad valorem property tax do not constitute a project under the California Environmental Quality Act pursuant to Section 21065 of the California Public Resources Code and Sections 15378(b) and 15061 of the California Environmental Quality Act Guidelines since the activities do not constitute a project and are administrative in nature or, in the alternative, find that the activities herein are statutorily exempt from the California Environmental Quality Act pursuant to Section 21080(b)(8) of the California Public Resources Code and Section 15273 of the California Environmental Quality Act Guidelines since they are for the purpose of meeting the operation, maintenance, and capital project expenses of the Los Angeles County

Waterworks District No. 40, Antelope Valley, for the reasons stated in this Board letter and in the record of the proposed activities.

2. Adopt the Negotiated Property Tax Exchange Joint Resolution approving and accepting the negotiated exchange of property tax revenue resulting from Annexation 40-168 (4-224), Local Agency Formation Commission Designation 2024-10, on behalf of the County of Los Angeles.
3. Adopt the Negotiated Property Tax Exchange Joint Resolution approving and accepting the negotiated exchange of property tax revenue resulting from Annexation 40-168 (4-224), Local Agency Formation Commission Designation 2024-10, on behalf of the Los Angeles County Library.
4. Adopt the Negotiated Property Tax Exchange Joint Resolution approving and accepting the negotiated exchange of property tax revenue resulting from Annexation 40-168 (4-224), Local Agency Formation Commission Designation 2024-10, on behalf of the Consolidated Fire Protection District of Los Angeles County.
5. Adopt the Negotiated Property Tax Exchange Joint Resolution approving and accepting the negotiated exchange of property tax revenue resulting from Annexation 40-168 (4-224), Local Agency Formation Commission Designation 2024-10, on behalf of the Los Angeles County Waterworks District No. 40, Antelope Valley.
6. Authorize the Director of Public Works, the Director of the Los Angeles County Library, and the Chief of the Consolidated Fire Protection District, or their designees, on behalf of the County of Los Angeles; the Los Angeles County Waterworks District No. 40, Antelope Valley; the Los Angeles County Library; and the Consolidated Fire Protection District of Los Angeles County, respectively, to take all actions necessary to effectuate the Negotiated Property Tax Exchange Joint Resolution.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended actions is to adopt the enclosed Negotiated Property Tax Exchange Joint Resolution and find that the recommended actions are not a project under the California Environmental Quality Act (CEQA) or, in the alternative, find that they are exempt from CEQA, and to reapportion the ad valorem property tax that is shared by the affected local agencies as a result of pending Annexation 40-168 (4-224) into the Los Angeles County Waterworks District No. 40, Antelope Valley (District). The annexation area (Exhibits A and B) is comprised of one parcel, approximately 10.13 acres, including an existing mobile home park development, located at the northeast corner of East Avenue I and 25th Street East, all within the City of Lancaster. This annexation will impact Tax Rate Area 05870.

Approval of the recommended actions is necessary to support an application for annexation into the District to supply the domestic and fire suppression water for the proposed annexed area. The existing development is served by a single private well that is at risk and will be abandoned. There are no other practical alternatives for water services in the area. The application for annexation is anticipated to be considered by the Local Agency Formation Commission (LAFCO) for the County of Los Angeles at a future date.

Pursuant to Section 99.01 of the Revenue and Taxation Code, in the case of any jurisdictional change that will result in a special district providing one or more services to an area where those services have not previously been provided by any local agency, the special district and each local agency receiving property tax revenue from the area must negotiate an exchange of property tax

revenue subject to the jurisdictional change and attributable to those local agencies.

The governing bodies of the respective local agencies in the affected areas have adopted the enclosed Joint Resolution based on the negotiated exchange of ad valorem property tax revenue related to the proposed annexation to the District.

In order for LAFCO to proceed with the required hearings on the proposed annexation, the Board, as the governing body of the County of Los Angeles and as the governing body of the County of Los Angeles Special Districts, acting on behalf of the Los Angeles County Library, Consolidated Fire Protection District of Los Angeles County, and the District, must also adopt the enclosed Joint Resolution. The Joint Resolution would transfer a portion of the annual property tax increment attributable to the proposed annexation area from the County of Los Angeles and other local agencies to the District according to ratios listed in Exhibits C and D. Each of the affected agencies' share of the annual property tax increment will be adjusted accordingly.

Implementation of Strategic Plan Goals

These recommendations support the County Strategic Plan: North Star 3, Realize Tomorrow's Government Today, Focus Area Goal G, Internal Controls and Processes, Strategy i, Maximize Revenue, by collecting the applicable tax revenue to provide effective and efficient delivery of water to future customers within the annexed area.

FISCAL IMPACT/FINANCING

The Joint Resolution for Annexation 40-168 (4-224) will transfer to the District a portion of the annual property tax increment from the County General Fund and each of the affected local agencies, which include the County of Los Angeles, the Los Angeles County Library, the Consolidated Fire Protection District of Los Angeles County, together with the Antelope Valley Cemetery District, the Antelope Valley Mosquito and Vector Control District, the Los Angeles County Sanitation District No. 14, the Antelope Valley Resource Conservation District, City Council of the City of Lancaster, and the Antelope Valley-East Kern Water Agency. The tax-sharing ratios listed in Exhibits C and D were calculated using a formula approved by the County Auditor-Controller. In this instance, revenues to the County General Fund from the ad valorem property tax on the affected properties would result in a Property Tax Reduction of 0.24 percent for Tax Rate Area 05870.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Section 99.01 of the Revenue and Taxation Code requires that prior to the effective date of any jurisdictional change, the governing bodies of all agencies whose service areas or service responsibilities will be altered by such change must negotiate a reallocation of property tax revenue between the affected agencies and approve and accept such reallocation by resolution.

Adoption of the Joint Resolution by the Board will allow LAFCO to schedule the required public hearing to consider testimony on the proposed annexation. LAFCO will subsequently take action to approve, approve with changes, or disapprove the proposal. The Joint Resolution has also been approved as to form by County Counsel.

ENVIRONMENTAL DOCUMENTATION

The recommended actions, including adoption of the Joint Resolution for Annexation 40-168 (4-224) and the resulting shares of the ad valorem property tax, do not constitute approval of a project under Section 21065 of the California Public Resources Code and are excluded from the definition of a project pursuant to Sections 15378(b)(4) and 15378(b)(5) of the CEQA Guidelines since the activities involve the creation of a government funding mechanism or other government fiscal activity, which does not involve any commitment to any specific project that may result in a potentially significant physical impact on the environment and are organizational or administrative activities of government that will not result in direct or indirect physical changes in the environment. In the alternative, approval of the recommended actions is statutorily exempt pursuant to Sections 21080(b)(8), 15273(a)(1), and 15273(a)(4) of the CEQA Guidelines, which exempt the establishment, modification, structuring, restructuring, or approval of rates, tolls, fares, or other charges by public agencies, which the public agency finds are for the purpose of meeting operating expenses, including employee wage rates and fringe benefits, and obtaining funds for capital projects necessary to maintain service within existing service areas. The standby charges and a portion of the property taxes will go toward the District's Accumulated Capital Outlay Fund, which is exclusively dedicated to funding capital improvement projects. Further, the activity is exempt under Section 15061(b)(3) of the CEQA Guidelines because it can be seen with certainty that the proposed actions will not have a significant adverse impact on the environment.

Approval of the tax resolution does not approve or authorize any project under CEQA. Prior to proceeding with any activity that would constitute a project, appropriate findings under CEQA and approval of the proposed project activities would be necessary. Upon the Board's approval of the recommended actions, Public Works will file a Notice of Exemption with the Registrar-Recorder/County Clerk in accordance with Section 21152 of the California Public Resources Code and also with the State Clearinghouse at the State Office of Planning and Research and will post the Notice to the County's website in accordance with Section 21092.2 of the California Public Resources Code.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

This action will allow the District to provide water service to the annexed area and will not have any negative impact on existing services or other planned projects.

CONCLUSION

Please return one adopted copy of this Board letter and signed Joint Resolution to Public Works, Waterworks Division.

Respectfully submitted,
