

NOTICE

Public Information Workshops Los Angeles County Construction and Demolition Debris Recycling and Reuse Ordinance

The County of Los Angeles Department of Public Works will conduct a Public Information Workshop for builders and contractors that undertake construction and demolition projects in the County's unincorporated areas.

The purpose of the workshop is to introduce the new *Field Guide to C&D Projects*, provide training for completing required forms, discuss coordination between haulers/recyclers and builders, and discuss tracking and reporting of disposal and diversion tonnage.

The recently enacted C&D Ordinance will increase diversion of C&D debris in the County unincorporated areas. These workshops will provide members of the building industry an opportunity to familiarize themselves with the requirements of the C&D Ordinance, review the *Field Guide to C&D Projects*, learn how to complete the forms, and obtain answers to questions on the Ordinance. All builders and contractors are strongly encouraged to attend the workshops.

Wednesday, June 1, 2005 *

1:30 p.m. to 3:30 p.m.

**The Gas Company Energy Resource Center
9240 East Firestone Blvd., Downey
Multi-Purpose Room**

Light refreshments will be provided.

Questions? Please contact Richard Ledesma of the Department of Public Works at (626) 458-3584, or Sandy Costandi of Huls Environmental at (626) 332-7514.

*** An additional workshop is planned for late June in the Santa Clarita area.**

Upon 72 hours notice, the County can provide program information and publications in alternate formats or make other accommodations for people with disabilities. To request accommodations ONLY, or for more ADA information, please contact our ADA Coordinator at (626) 458-4081 or TDD at (626) 282-7829, Monday through Thursday, 7 a.m. to 5:30 p.m.
