Project Title: Los Angeles County Countywide Siting Element Revision

Project Applicant: Los Angeles County Public Works

Project Location (include county): County of Los Angeles

Project Description:

On May 23, 2023, the County of Los Angeles Board of Supervisors (Board) conducted a duly noticed public hearing and adopted a resolution approving the Los Angeles County Revised Countywide Siting Element (Project). The Countywide Siting Element (CSE) is a long-term planning and policy document that identifies the proposed management and disposal of solid waste generated in the County of Los Angeles (County) in accordance with the Countywide Integrated Waste Management Plan. The purpose of this Project is to update strategies, policies, and guidelines to address solid waste disposal needs of the County for a 15-year planning period, as mandated by the California Integrated Waste Management Act of 1989. Approval of the Revised CSE is within the scope of the project impacts analyzed in the Environmental Impact Report previously certified by the Board on August 2, 2022. There are no changes to the Project or to the circumstances under which the Project is undertaken that require further review under the California Environmental Quality Act.

This is to advise that the County of Los Angeles has approved the above (Lead Agency or Responsible Agency)

described project on May 23, 2023 and has made the following determinations regarding the above described project.

- 1. The project will have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:

Project Title: Los Angeles County Countywide Siting Element (CSE) Revision

Project Applicant: Los Angeles County Public Works

Project Location (include county): Los Angeles County

Project Description:

The EIR evaluates the environmental effects associated with implementation of the Siting Element. Similar to the 1997 CSE, the CSE Revision serves as a policy document rather than a specific development program. The draft CSE Revision describes the existing solid waste disposal system, estimates future solid waste disposal capacity needs in Los Angeles County, and sets forth goals, policies, and objectives to meet the solid waste needs on a Countywide basis.

This is to advise that the Los Angeles County Public Works has approved the above
(Lead Agency or Responsible Agency)

described project on August 2, 2022 and has made the following determinations regarding the above
(date)
described project.

1. The project [will will not] have a significant effect on the environment.
