

Storm Drains are for Rain...

More than 80,000 dog owners walk

their dogs each month and repeatedly leave disease-causing animal waste

laying on the ground. Dog waste washes from the ground and

streets into storm drains, and flows straight to the ocean — untreated.

Remember to bring a bag and clean up after your dog.

...they're not pooper scoopers.

Dog Owner Tips:

Dog owners can help solve the stormwater pollution problem by taking these easy steps...

- Clean up after your dog every single time.
- Take advantage of the complimentary waste bags offered in dispensers at local parks.
- Ensure you always have extra bags in your car so you are prepared when you travel with your dog.
- Carry extra bags when walking your dog and make them available to other pet owners who are without.
- Teach children how to properly clean up after a pet. Encourage them to throw the used bags in the nearest trash receptacle if they are away from home.
- Put a friendly message on the bulletin board at the local dog park to remind pet owners to clean up after their dogs.
- Tell friends and neighbors about the ill effects of animal waste on the environment. Encourage them to clean up after pets as well.
