To Our Valued Malibu Garbage Disposal District Customer:

The County of Los Angeles Board of Supervisors awarded Universal Waste Systems Inc. (UWS) a contract to provide trash, recycling, and green waste collection services in the Malibu Garbage Disposal District.

All property owners in the Malibu Garbage Disposal District are enrolled to receive trash, recycling, and green waste services from UWS, which are assessed on the annual property tax bill. **Please note that the District does not provide service fee reimbursements to property owners who choose to receive services from a different waste hauler.** For information regarding services available to you, please call UWS's Customer Service Department at (800) 631-7016, Monday through Friday, 7 a.m. to 5 p.m. and Saturday, 8 a.m. to 12 p.m.

### Additional Information for Customers Receiving Services in Wheeled Plastic Carts

**When We Will Collect.** We will service cart customers once per week, between the hours of 6:00 a.m. to 6:00 p.m. on the same day, Monday through Friday, each week. If your scheduled collection day falls on or after a holiday, collection will be delayed during the holiday week by one day (Friday customers will have their collection on Saturday). The holidays we observe are Memorial Day, Independence Day, Labor Day, Thanksgiving, Christmas, and New Year's Day. Should there be a permanent change in your scheduled collection day, we will notify you in advance. If we miss your collection, please call us and we will return to pick it up, without charge, on the same day if you call before 12:00 p.m. or on the next collection day if you call after 12:00 p.m.

**Where We Will Pick Up.** On your scheduled collection day, cart customers must place carts at the agreed set-out site with carts facing the street and 18 inches apart from each other. Handles and wheels must be facing the curb. If we agreed to collect on private driveways or pavement, we will ask you to sign a waiver of damage liability and/or indemnification. Carts must only be placed at the set-out site for collection within the hours of 5:00 p.m. on the day before scheduled collection and 8:00 p.m. on the day of collection or 2 hours after collection, whichever is later.

**How to Receive Roll-Out Service.** We can bring your carts out to the pickup point, at no additional charge, for single family and duplex customers who certify they are disabled or are elderly (over the age of 62) and have no able-bodied person residing in their household. Roll-out service will be provided to these customers during their weekly collection of trash, recyclable materials, and organics, as well as during the annual curbside clean-up event, holiday tree pick-ups, and additional on-call pickups. These services are also available to any other customer upon request at the charge listed on the rate sheet. We will ask you to sign a waiver of damage liability and/or indemnification prior to providing this service. Many properties along Pacific Coast Highway will be required to use the Mandatory Minimum Service to ensure carts are not a safety hazard in the street.

**Weight Limitations of Carts.** The weight limit for each automated cart is as follows: 96-gallon cart = 336 lbs., 64-gallon cart = 227 lbs., 32-gallon cart = 122 lbs. If carts are found to be over these weight limits, they will be tagged and not serviced.
