To Our Valued Lennox Garbage Disposal District Customer:

In August 2018, The County of Los Angeles Board of Supervisors awarded Ware Disposal, Inc. a contract to provide exclusive trash, recycling, and green waste collection services in the Lennox Garbage Disposal District (District).

All property owners in the District are enrolled to receive trash, recycling, and organic waste collection exclusively from Ware Disposal Inc. Charges for basic-service are collected as part of the annual property taxes paid by property owners. The basic-service level and the amount charged are based on the land use codes assigned to the property by the County of Los Angeles Office of the Assessor. For example, basic-service for a single-family property is three 96-gallon carts: one for trash, one for recyclables, and one for organic waste. **Please note that the District does not provide service fee reimbursements to property owners who choose to receive services from a different waste hauler.** A Senior Discount of 25% off the additional services fees is available to single-family and duplex customers who meet the following criteria: head of household, 62 or older, and who either (a) qualify for utility rate discounts based on financial need or (b) generate small amounts of waste and use a 32-gallon cart for trash.

To request additional services or if you have any questions or concerns, please contact Ware Disposal, Inc. at (877) 714-9273, Monday through Friday, 8 a.m. to 5 p.m. and Saturday, 8 a.m. to 12 p.m.

**Additional Services and Monthly Surcharges beyond basic services:**

Recyclables Cart with Gravity Lock (1-time charge)	\$32.61 (\$24.46 with senior discount)
Additional Containers Beyond Basic Service, each:	
For Carts:
