THIS CONTRACT is made and entered into on October 29, 2018, by and between COUNTY of Los Angeles Board of Supervisors, acting in their capacity as the governing body COUNTY of Los Angeles (COUNTY), and Burrtec Waste Industries, Inc., a Corporation registered in the State of California (CONTRACTOR).

RECITALS:

Purpose. To limit the wear and tear on COUNTY streets, reduce pollution from Collection Vehicle exhaust, increase customer service accountability, ensure compliance with Federal, State, and local laws, including Assembly Bill (AB) 939, by improving program implementation performance and reporting accuracy, and facilitate more efficient CONTRACT administration and enforcement by COUNTY staff.

Solid Waste Haul Permits. County of Los Angeles Department of Public Health issued permits to haulers for the hauling of solid waste with requirements to protect public health and safety, including frequency of Collection and Collection Vehicle maintenance. CONTRACTOR shall continue to obtain that permit and comply with all its provisions; and

Mandatory Solid Waste Diversion. The State of California has found and declared that the amount of solid waste generated in California coupled with diminishing landfill space and potential adverse environmental impacts from land filling have created an urgent need for State of California and local agencies to enact and implement an aggressive, new integrated waste management program. Through enactment of AB 939, the State of California has directed agencies, such as COUNTY to Divert 50 percent of all solid waste through source reduction, recycling, and composting activities. The California Department of Resources Recycling and Recovery (CalRecycle) had granted COUNTY a time line to achieve compliance with the AB 939 Diversion requirements to which COUNTY had met. Continued compliance is based in part on executing and implementing this CONTRACT to secure cooperation with CONTRACTOR'S AB 939 waste Diversion programs, record keeping, and reporting; and

County Waste Management Plan. COUNTY Board of Supervisors adopted the Roadmap to a Sustainable Waste Management Future in 2015. It is a comprehensive plan for a waste free future, and is a proactive approach to developing innovative policies for managing waste that further reduces COUNTY's reliance on landfills. It established the following intermediate and long-term disposal reduction targets: 80 percent Diversion from landfills by 2025, 90 percent Diversion from landfills by 2035, and at least 95 percent Diversion from landfills by 2045; and

Task 1: Waste Discarded in Containers. COUNTY'S Director has determined to provide for Municipal Solid Waste (MSW) Management Services in portions of COUNTY under the terms of this CONTRACT for reasons including the following:

- To assist residents and certain businesses located in the Service Area that discard solid waste in carts to receive quality MSW Management Services, and
- To provide COUNTY with programs, records, and reports that will help COUNTY comply with AB 939 and other laws.

COUNTY issued a 5-year notice under California Public Resources Code (PRC) Section 49520 of COUNTY'S intent to authorize, among other options, the exclusive franchising of MSW Management Services in portions of COUNTY; and

Task 2: Abandoned Waste Collection. COUNTY'S Director has also determined to contract for Collection of the following:

- Abandoned Waste in this CONTRACT to efficiently remove it and prevent the illegal dumping from becoming a community eyesore, decreasing neighborhood property values, posing a safety hazard, providing a breeding ground for disease carrying rodents, insects and other vermin, and in general, lowering the quality of life for residents.
- Maintenance of public curbside receptacles.
- Removal of Carts, Dumpsters, and roll-off containers the Director has deemed abandoned.
- Removal of waste from abandoned Homeless Encampments and provide regular Collection from occupied Homeless Encampments.
- Provide emergency services to remove Solid Waste not collected in any part of the County of Los Angeles or adjacent counties that in the judgement of the Director creates a danger to public health, safety, or welfare.

Compliance with Law. CONTRACTOR shall perform Contract Services in accordance with all the laws governing the safe collection, transport, recycling, and disposal of Residential and Commercial Solid Waste, including but not limited to AB 939 and AB 1826, Recovered Conservation and Recovery Act (RCRA), and Comprehensive Environmental Response Compensation and Liability Act (CERCLA).

CONTRACTOR / "Arranger". Under this Contract, COUNTY may exercise control over the disposal or other disposition of the Solid Waste handled by the CONTRACTOR. It may designate or determine the use of any given Solid Waste Facility. Although minimum scope of Contract Services, Service Specifications, and Service Standards are set forth in this CONTRACT, COUNTY has not, and by this CONTRACT does not, supervise Contract Services or assume title to Solid Waste; and

Competitive Procurement. COUNTY issued a Request for Proposals (RFP) or Invitation For Bids (IFB) to provide Contract Services under this CONTRACT. Private waste hauling companies submitted proposals or bids, including their proposed schedule of rates and charges. For franchised services, COUNTY selected a CONTRACTOR based, among other things, on CONTRACTOR'S price proposal and work plan for Contract Services.

Compensation. The following describes the compensation allowed under this CONTRACT:

- Exhibit 7 provides for CONTRACTOR'S compensation under Task 1 Services. Under this CONTRACT, the CONTRACTOR cannot charge its Customers more

than the Customer Service Fees in the Customer Fee Schedule in Attachment 7-2 Task 1 Service Fees in Exhibit 7.

- Exhibit 3A2 provides for CONTRACTOR's compensation under Task 2 Services and COUNTY Service Fees in Attachment 7-3 Task 2 Service Fees in Exhibit 7.

Franchise Authorization. California PRC Section 40059 specifically authorizes COUNTY to prescribe the terms and conditions of aspects of solid waste management services, including:

- The nature, location, and level/extent of services;
- The frequency of collection;
- The means of collection and transportation;
- The Service Fees and fees; and
- Whether the services are to be provided by means of nonexclusive, partially exclusive, or wholly exclusive franchise, contract, license, permit or otherwise.

County Code Chapter 20.70 authorizes Director to require franchises in any part of the unincorporated territory of COUNTY that is not served by a Garbage Disposal District.

Franchise Development. COUNTY consulted with representatives of waste haulers in developing the original agreement. COUNTY and representatives of the private hauling industry met many times to discuss the scope of franchise services, service specifications, service standards, and other performance obligations and to address the industry's questions, comments, and concerns.

NOW, THEREFORE, THE PARTIES AGREE AS FOLLOWS:

This CONTRACT applies to both Contract Services (Task 1 Services and Task 2 Services), unless specifically indicated otherwise. However, Exhibits 3A1 and 3A3 applies only to Task 1 Services, and Exhibit 3A2 applies only to Task 2 Services.

SECTION 1 - GRANT OF RIGHTS AND PRIVILEGES TO PROVIDE TASK 1 SERVICES

See Attachment 5-10A for a more complete list of definitions.

Customer Service = Task 1 Services = Basic Service + Additional Customer Services

County Services = Task 2 Services

Contract Services = Customer Service + County Service

Additional Customer Services means all Performance Obligations prescribed in Exhibit 3A1 and Exhibit 3A3 that require a Customer Surcharge, including the more than once per week Collection frequency in item B3, more than one 96-gallon Refuse Container, or a locking Recyclables Cart.

Basic Service means all Performance Obligations prescribed in Exhibit 3A1 and Exhibit 3A3 that do not require a Customer Surcharge, including the once per week Collection frequency in item B3 and the one 96-gallon Refuse, two 96-gallon Recyclables, and two 96-gallon Green Waste Containers in item D.

Task 1 Services all Performance Obligations prescribed in Exhibit 3A1 and Exhibit 3A3 for Refuse, Recyclables, and Green Waste Container services to Occupants at Residential Premises and Certain Multifamily and Commercial Premises.

Task 2 Services means all Performance Obligations prescribed in Exhibit 3A2 Abandoned Waste Collection services, public receptacle Collection services, abandoned Containers, Homeless Encampments, and emergency services.

A. Grant of Rights

1. Grant of Rights and Privileges

COUNTY grants CONTRACTOR the right and privilege, together with the Performance Obligations, to provide Contract Services.

a. *Conditions*

- CONTRACTOR is ready, willing, and able to provide Contract Services;
- CONTRACTOR meets all its Performance Obligations, no CONTRACTOR Default has occurred; and
- CONTRACTOR fully and timely pays applicable Franchise Fees.

b. CONTRACTOR Acceptance

CONTRACTOR accepts these rights and privileges, together with Performance Obligations, subject to all terms and conditions in this CONTRACT and the exclusions in subsections B (Exclusions from Service) and C (Exclusions from Exclusivity) of this Section.

2. Grant of Exclusive Franchise for Collection in Carts

COUNTY grants to CONTRACTOR and CONTRACTOR accepts the exclusive right and privilege together with the obligation to provide franchise services, by making independent arrangements with customer, with respect to solid waste discarded in Carts and within the Service Area, subject to all the terms and conditions in this CONTRACT and the exclusions in subsections B (Exclusions from Service) and C (Exclusions from Exclusivity) of this Section.

If the City of Santa Clarita annexes a portion of the Service Area known as Plum Canyon, Skyline Ranch, and North Sand Canyon, the annexed area will be automatically deleted on the date that the annexation becomes effective. The annexation is planned for 2018. Parties will promptly replace the maps of the Service Area in Item A1.3 of Exhibit 16 with new maps that reflect deletion of the annexed area. County Service Fees will be adjusted in accordance with Item C 12 of Section 7.

If a city annexes an additional portion of the Service Area after 2018, upon their agreement, Parties will replace the maps of the Service Area in Item A1.3 of Exhibit 16 with new maps that reflect deletion of the annexed area.

B. Exclusions from Service

1. Solid Waste to be Self-Hauled

This CONTRACT excludes the right and privilege to Collect, transport, and Divert/Dispose Solid Waste that Persons self-haul. Anyone, including Persons performing services other than MSW Management Services (such as roofers and gardeners) at those Premises, may collect in receptacles other than Container provided by CONTRACTOR, transport in their own Vehicles, and themselves Dispose of some or all the Solid Waste generated at those Premises

2. COUNTY and Third-Party Agencies

This CONTRACT excludes the right and privilege to arrange to provide Task 1 Services to Premises owned or controlled by any of the following entities:

- County or any other entity governed by the Board of Supervisors;

- State of California;
- Federal government;
- Any city;
- Any public-school district; or
- Any entity that is excluded by Applicable Law from the obligation to subscribe to Task 1 Services under this CONTRACT.

This CONTRACT does not prohibit CONTRACTOR from executing separate contracts with those entities to provide MSW Management Services.

3. Rights Under California Public Resources Code Section 49520

a. *Exclusion*

This CONTRACT excludes the right and privilege to arrange for providing Contract Services with any Person who is receiving solid waste handling services from a solid waste enterprise that has the statutory right to continue to provide solid waste handling services to that Person under PRC Section 49520 *et seq.*

b. *Acknowledgement*

CONTRACTOR acknowledges:

(1) *No Statutory Rights*

This CONTRACT does not grant CONTRACTOR any rights under PRC Section 49250 *et seq.*

(2) *Expired Term*

This CONTRACT is an exclusive franchise. Upon expiration of this CONTRACT, no unexpired Term will remain. CONTRACTOR will have no right to continue providing Contract Services, MSW Management Services, or Solid Waste handling services under PRC Section 49250 *et seq.*

(3) *Terminated CONTRACT*

If COUNTY exercises its remedy to terminate this CONTRACT for CONTRACTOR fault, CONTRACTOR will not be in compliance with the terms and conditions of this CONTRACT. In that event, CONTRACTOR will have no right to continue providing Contract Services, MSW Management Services, or Solid Waste handling services under PRC Section 49251.

(4) *Contract Claims*

CONTRACTOR does not have the right to make any claim under PRC Section 49520, but only under this CONTRACT.

c. *Stop Contract Services / Procure New Services*

Upon expiration or termination of this CONTRACT, CONTRACTOR shall stop providing Contract Services even if the expiration or termination occurs before the end of the period described in PRC Section 49520. After expiration or termination of this CONTRACT, COUNTY may reprocure one or more agreements for MSW Management Services with CONTRACTOR or other Persons. Those agreements may be exclusive, partially exclusive, or wholly exclusive franchises, contracts, licenses, permits or otherwise, with or without competitive bidding.

4. Donation or Selling of Recyclables

This CONTRACT excludes the right and privilege to Collect Recyclables that Occupant donates or sells to Persons other than CONTRACTOR.

5. Collection of Food Waste or Recyclables from Commercial Franchise Carts

This CONTRACT excludes the right and privilege to Collect Food Waste that is separated from other Solid Waste subject to COUNTY's Non-Exclusive Commercial Franchise Agreements. For example, CONTRACTOR cannot Collect Food Waste or Recyclables from Carts provided under the Commercial Franchise agreement with COUNTY.

C. *Exclusions from Exclusivity*

1. Task 2 Services – Abandoned Waste and Litter Collection Services

This CONTRACT excludes the exclusive right and privilege to Collect Abandoned Waste. COUNTY reserves the right to use its own forces or to contract with any company to Collect Abandoned Waste or empty public receptacles.

2. Emergency Services

This CONTRACT excludes the exclusive right and privilege to perform Solid Waste services during emergencies described in Section 11. Under this Section, CONTRACTOR may be requested to perform work in other COUNTY Franchise areas, Garbage Disposal Districts, cities, or Counties. Likewise, other waste haulers may be requested to perform Solid Waste services within this Service Area.

3. Food Waste

This CONTRACT excludes the right and privilege to provide Collection, transportation and Diversion of Food Waste. This exclusion also applies to Food Waste discarded in Carts by Commercial Franchise customers. Commencing upon the Commencement Date, CONTRACTOR shall Collect Food Waste discarded with Refuse.

At any time after the Commencement Date, in its sole discretion, COUNTY may do either of the following with respect to Collection, transportation, and Diversion of Food Waste that is discarded separately from Refuse:

- Renegotiate a change to this CONTRACT or enter a separate contract with the CONTRACTOR; or
- Enter a contract with another Person.

4. Collection of Solid Waste in Dumpsters

This CONTRACT excludes the right and privilege to provide Collection, transport, and Disposal/Diversion of Solid Waste in Dumpsters, including Manure-only Dumpsters. Persons may arrange with any COUNTY Authorized Commercial Waste Hauler to provide MSW Management Services in Dumpsters. Persons may have Carts with exclusive Collection services from CONTRACTOR and have a Dumpster with service from another waste hauler.

D. Definition of Rights

In accordance with PRC Section 49523, based on the mutually satisfactory terms of providing Task 1 Services set forth in this CONTRACT and receipt of compensation therefore, that CONTRACTOR shall cease providing Contract Services on the Expiration Date even if that Expiration Date should occur before the expiration of the period described in PRC Section 49520. This CONTRACT and acknowledgments in this CONTRACT do not foreclose COUNTY from re-procuring contracts for MSW Management Services, including from CONTRACTOR, after termination of this CONTRACT, by nonexclusive, partially exclusive, or wholly exclusive franchise, contract, license, permit or otherwise, with or without competitive bidding.

E. Fees to COUNTY

In consideration for this exclusive franchise, rights granted under this CONTRACT, CONTRACTOR shall pay COUNTY the Franchise Fee at the time and in the amount and manner established from time to time by COUNTY ordinance or resolution of the Board of Supervisors. CONTRACTOR shall not separately identify the Franchise Fee in correspondence with Customers, including in Terms and Conditions, bills, or invoices.

CONTRACTOR acknowledges the following:

- The elimination of competition with private persons for Contract Services under this exclusive franchise has significant monetary value to CONTRACTOR, and the franchise fee is consideration for that exclusivity.
- The franchise fee is a cost of doing business, like capital, fuel and labor costs.
- Paying COUNTY the franchise fee is an obligation of CONTRACTOR and not an obligation of Customers.

F. Privacy (Contract Services)

1. General

CONTRACTOR shall strictly observe and protect rights and privacy of Customers and Occupants. CONTRACTOR shall not reveal to a Person other than COUNTY any information identifying individual Customers and Occupants or the composition or contents of a Customer's Solid Waste to any Person unless under Section 9 or upon the authority of law or upon valid authorization of the Customer. This provision may not be construed to excuse CONTRACTOR from its obligations to assist COUNTY in the preparation of Solid Waste characterization studies or waste stream analyses, keeping Records, making Reports, or assisting COUNTY on meeting Federal, State, and local requirements.

2. Mailing Lists

CONTRACTOR shall not market or distribute mailing lists with the names and addresses of Customers and Occupants.

3. Privacy Rights Cumulative

CONTRACTOR'S obligations in this Section are in addition to any other privacy rights accorded Customers and Occupants under Applicable Law.

G. Ownership of Solid Waste

This CONTRACT does not purport to grant CONTRACTOR ownership over Solid Waste. The right to possession or ownership of Solid Waste placed at the Set-Out Site for Collection, including Green Waste, Recyclables, and Abandoned Waste, will be determined in accordance with existing law and is not affected by this CONTRACT. COUNTY acknowledges that it has no ownership rights in Solid Waste and that CONTRACTOR may provide for transfer of ownership in the Terms and Conditions.

COUNTY will pay County Service Fees from COUNTY'S Road Fund or other sources. CONTRACTOR acknowledges that it will not be compensated for providing County Service under Task 2 Services from Customer Service Fees under Task 1 Services. Customers or Occupants do not pay County Service Fees.

3. Billing

CONTRACTOR shall bill COUNTY monthly for COUNTY Services performed during the preceding month by invoice (original and a copy) in a form satisfactory to Director. COUNTY will pay County Service Fees to the CONTRACTOR within 30 days of receipt and approval of a properly completed and undisputed invoice. If CONTRACTOR is certified by COUNTY as a Local Small Business Enterprise, COUNTY will pay CONTRACTOR in accordance with Board of Supervisors Policy No. 3.035, Small Business Liaison and Prompt Payment Program.

The itemized invoice shall contain a reference to the name of Service Area and Environmental Programs Division, Residential Franchise/Garbage Disposal District Section. CONTRACTOR shall submit invoices to:

County of Los Angeles Department of Public Works
Attention: Fiscal Division, Accounts Payable
P.O. Box 7508
Alhambra, CA 91802-7508

For weekly or daily Abandoned Waste Collection, CONTRACTOR shall bill COUNTY based on per incident, foot, day, or receptacle collection, as indicated in Attachment 7-3 Task 2 Service Fees of Exhibit 7. The rate shall be calculated as follows:

a. Weekly Collection

(1) **Expected Number of Incidents, Volume Up to Four Cubic Yards**

CONTRACTOR shall request a fee equal to the expected number of incidents rate for four cubic yards of volume.

CONTRACTOR is required to record the location of each incident and submit with the monthly invoice. CONTRACTOR is not required to provide evidence of Abandoned Waste removal unless Director requests.

(2) **More Than Expected Number of Incidents**

CONTRACTOR may request a fee equal to the more than expected number of incidents rate.

CONTRACTOR is required to record the location of each incident and submit with the monthly invoice. CONTRACTOR shall take and submit photos of the waste to request a higher fee for that location. These special circumstances must be itemized separately on the invoice.

(3) **More Than Four Cubic Yards**

CONTRACTOR may request a fee equal to the more than four- cubic-yards rate for a volume greater than four cubic yards.

CONTRACTOR is required to record the location of each incident and submit with the monthly invoice. CONTRACTOR shall take and submit photos of the waste to request a higher fee for that location. These special circumstances must be itemized separately on the invoice.

b. Hot Zone Daily Monitoring and Collection

(1) Monitoring Original Locations

CONTRACTOR shall request a fee equal to the Monitoring Original Locations for every linear foot within the zone, each day.

For example, for a \$2.00 rate for 500 feet, CONTRACTOR may request $\$2.0 \times 500 \times 22 \text{ days} = \$22,000$ per month. CONTRACTOR is not required to provide evidence of monitoring unless Director requests.

(2) Monitoring Additional Hot Zones

If Hot Zones are created or expanded greater than the length indicated in Item 16.A.2 of Exhibit 16, CONTRACTOR may request a fee equal to Monitoring Additional Hot Zones for the additional distance only.

CONTRACTOR is not required to provide evidence of monitoring unless Director requests.

(3) Waste Collection from Original Locations

CONTRACTOR may request a fee equal to the Waste Collection with four cubic yards or less from Original Locations rate.

The-four-cubic-yards volume refers to the total amount of waste at a single incident, not the total collected in all Hot Zones. Waste separated by more than ten feet shall be considered a separate incident. CONTRACTOR is not required to provide evidence of Collection unless Director requests. CONTRACTOR is required to record the location of each incident and submit with the monthly invoice.

(4) Waste Collection from Additional Hot Zones Waste

If Hot Zones are created or expanded greater than the length indicated in Item 16.A.2 of Exhibit 16, CONTRACTOR may request a fee equal to the Waste Collection with four cubic yards or less from Additional Locations rate for the additional distance only.

The four-cubic-yards volume refers to the total amount of waste at a single incident, not the total collected in all Hot Zones. Waste separated by more than ten feet may be considered a separate incident. CONTRACTOR is not

required to provide evidence of Collection unless Director requests. CONTRACTOR is required to record the location of each incident and submit with the monthly invoice.

(5) **Waste Collection with More Than Four Cubic Yards**

For any incident larger than four cubic yards, CONTRACTOR may request an extra fee equal to the Waste Collection with more than four-cubic-yards rate. Waste separated by more than ten feet shall be considered a separate incident. CONTRACTOR shall take and submit photos of the waste to request a higher fee for that location. These special circumstances must be itemized separately on the invoice.

c. Public Receptacles

CONTRACTOR shall request a fee equal to the number of Collections made from Public Receptacles during the month, regardless if it is from a standard or solar powered compactor. CONTRACTOR is required to record the number of Collections and submit with the monthly invoice.

4. Payment Exceeding Maximum Contract Sum

In no event shall the aggregate total amount of compensation paid to the CONTRACTOR exceed Maximum Contract Sum.

5. Request Work

The CONTRACTOR understands and agrees that only Director is authorized to request or order work under this CONTRACT. The CONTRACTOR acknowledges that the designated authorized representative is not authorized to request or order any work that would result in the CONTRACTOR earning an aggregate compensation more than this CONTRACT's Maximum Contract Sum.

6. Performing Work to Exceed Maximum Contract Sum

The CONTRACTOR shall not perform or accept work requests from the designated authorized representative or any other person that will cause the Maximum Contract Sum to be exceeded. CONTRACTOR shall monitor the balance of the Maximum Contract Sum. When the total of the CONTRACTOR's paid invoices, invoices pending payment, invoices yet to be submitted, and ordered services reaches 75 percent of the Maximum Contract Sum, the CONTRACTOR shall immediately notify the authorized representative in writing.

7. Budget Reduction

If the Board of Supervisors adopts a budget for any Fiscal Year that reduces the salaries or benefits paid to most COUNTY employees and imposes similar reductions with respect to COUNTY Contracts, COUNTY reserves the right to correspondingly reduce the following:

- The County Service Fees for that Fiscal Year and any subsequent Fiscal Year during the Term of this CONTRACT (including any extensions), and
- The Maximum Contract Sum.

Except as set forth in the preceding sentence, the CONTRACTOR shall continue to provide all the services set forth in this CONTRACT. Director's notice to the CONTRACTOR regarding said reduction in payment obligation shall be provided within 30 calendar days of the Board's approval of such actions.

8. Deductions

COUNTY may deduct from any payment due CONTRACTOR any incurred or anticipated County Reimbursement Costs, including legal fees and staff costs, associated with any investigation or enforcement proceeding brought by Cal/OSHA arising out of COUNTY Service.

9. No Payment Following Expiration/Suspension/Termination of CONTRACT

CONTRACTOR shall make no claim against COUNTY for payment of any money or reimbursement, of any kind whatsoever, for any County Service that CONTRACTOR provides after the expiration, suspension, or other termination of this CONTRACT. If CONTRACTOR receives any such payment, it shall immediately inform Director and repay all that payment to COUNTY. Payment by COUNTY for County Services rendered after expiration, suspension, or termination of this CONTRACT shall not constitute a waiver of COUNTY's right to recover such payment from CONTRACTOR. This provision shall survive the expiration, suspension, or termination of this CONTRACT.

10. Most Favored Public Entity

If the CONTRACTOR's prices decline, or if CONTRACTOR, at any time during the term of this CONTRACT, provides services substantially the same as County Services to anyone else, including the State of California or any County, municipality, or district of the State at prices below those set forth in this CONTRACT, then CONTRACTOR shall immediately reduce the County Service Fees to match those lower prices.

11. Change in Service Area

It is understood that the monthly compensation to be paid to the CONTRACTOR may be increased in proportion to the enlargement of the boundaries of the Service Area or to expansion of the area to be served, and the monthly compensation may be decreased if the area to be served decreases such as diminution of the size of the Service Area. This also included a change in the number of public receptacles and a change in the number or length of Hot Zones.

12. Dissolution of Service Area

It is understood that in the event of the dissolution of the Service Area, this CONTRACT and all obligations of either of the parties thereto shall be at an end, whether such dissolution results from proceedings under the provisions of the act pursuant to which the Service Area was created, by operation of law, or resulting from municipal annexation or incorporation, except for record retention requirements. Annexations are discussed in more detail in Item A 2 of Section 1.

13. Adjustment to Service Fee

Throughout the Term of the CONTRACT, COUNTY may adjust the Service Fee in Attachment 7-3, Task 2 Service Fees of Exhibit 7, per the conditions set forth in Exhibit 7.

SECTION 8 - WASTE CHARACTERIZATION STUDY

A. Participate with County Study

CONTRACTOR shall cooperate with Director in conducting Solid Waste characterization studies and waste stream audits. Cooperation includes all the following:

- Diverting Collection Vehicles from their regular route to alternate locations;
- Emptying all Solid Waste from Collection Vehicles; and
- Providing Collection, transportation, and Disposal of Solid Waste remaining after the study or audit.

B. Perform Study

CONTRACTOR shall perform Solid Waste generation and Disposal characterization studies to assist County in compliance with State laws and goals. CONTRACTOR's study shall also include collecting data and preparing reports, as needed and as directed by Director, to determine weights and volumes of Solid Waste that is Collected and to characterize Solid Waste that is generated, Disposed, transformed, Diverted, or otherwise processed, by Customer type (such as Single-Family, Multi-Family, Commercial). CONTRACTOR shall follow all guidelines and sampling methodology established by CalRecycle when conducting the study. CONTRACTOR shall perform the required studies during the first Contract Year and every other year thereafter.

SECTION 9 - RECORDS

CONTRACTOR'S obligations and COUNTY'S rights in this Section survive the term.

A. Record Maintenance and Retention

1. All Records

CONTRACTOR shall prepare and maintain all Records in accordance with generally accepted auditing principles during the Term and for an additional period of not less than five years after the Expiration Date or any longer period required by Applicable Law.

2. Disposal Records

CONTRACTOR acknowledges:

a. *Claims*

That COUNTY may need to respond to claims under CERCLA or similar applicable laws with respect to Disposal of Solid Waste.

b. *Quantity*

COUNTY'S need to determine the quantity, location, and date of CONTRACTOR'S Disposal of Solid Waste.

Therefore, CONTRACTOR shall establish and maintain a protocol for the retention and preservation of those Records, for a period of five years after the Expiration Date or any longer period required by Applicable Law, which protocol will document where CONTRACTOR Disposed of Solid Waste that it Collected (whether landfilled, incinerated, composted, or otherwise processed or marketed).

3. Notification

CONTRACTOR shall give Notice to Director at least 30 days before destroying Records of Disposal at any time after the retention period referred to in item A1 of Section 9.

B. County Custody

If Director has reason to believe that Records may be lost, discarded, or destroyed for any reason, Director may require that CONTRACTOR give COUNTY custody of any or all Records. Access to those Records will be granted to any Person duly authorized by CONTRACTOR. CONTRACTOR shall pay for storage cost.

C. Inspection and Review of Records

Upon five Service Days' notice by telephone or writing, or a lesser amount of time in the event of extraordinary circumstances, Director and/or its contractor may inspect, review (including using outside contractor), excerpt, transcribe, and copy all Records at CONTRACTOR'S Office during CONTRACTOR Office Hours. CONTRACTOR may maintain Records outside of COUNTY (1) if it promptly provides copies thereof to Director at Director's offices, (2) if Director, in its sole discretion, agrees to travel outside COUNTY and CONTRACTOR pays COUNTY's Reimbursement Costs.

In addition to travel costs, COUNTY will bear the expense of the review and of obtaining a copy of Records; however, within 30 days of Director Notice, CONTRACTOR shall reimburse COUNTY for COUNTY'S Reimbursement Cost of the expenses for the review if the review reveals a discrepancy of the lesser of 3 percent or \$2,500 between:

- The amount contained in the Records (e.g., the amount of Solid Waste Collected or Diverted), and
- Any representation or Report that CONTRACTOR made to COUNTY; Franchise Fee or other money paid to COUNTY; County Service Fees paid by COUNTY, or information that CONTRACTOR submitted to Director.

Director may give Notice to CONTRACTOR identifying any discrepancy.

CONTRACTOR shall pay any discrepant shortfall in Franchise Fee or other payments due COUNTY, or excess of County Service Fees, upon Director demand, including fees and charges for the late payment of Franchise Fees. Failure to make those payments will constitute a CONTRACTOR Default in accordance with Part 6 of Exhibit 5. In lieu of payment, Director in its sole discretion may (1) deduct that shortfall from amounts that COUNTY owes CONTRACTOR under this CONTRACT, other contracts, or any other obligation, or (2) draw that shortfall from the performance bond, letter of credit, certificate of deposit, or other form of performance assurance provided by CONTRACTOR in accordance with Section 15.

COUNTY will pay any discrepant shortfall in County Service Fees due CONTRACTOR up to COUNTY'S maximum obligation for County Service Fees appropriated by COUNTY for purpose of this CONTRACT.

D. Copies of Audits

If anyone, including Federal or State auditors and auditors or accountants employed by CONTRACTOR or others, conducts an audit of CONTRACTOR specifically regarding this CONTRACT, then within 30 days of the audit report, CONTRACTOR shall file a copy of the audit report with County's Auditor-Controller and notify Director of the filing, unless otherwise provided by Applicable Law. Subject to Applicable Law, COUNTY shall make a reasonable effort to maintain the confidentiality of such audit report(s)

E. Submission of Records

CONTRACTOR shall submit to Director, without charge to COUNTY or charge to Customers, any Records relating to Diversion requested by Director to assist COUNTY in meeting obligations imposed by Federal, State, and local laws. CONTRACTOR shall submit those Records using COUNTY's Solid Waste Information Management System (SWIMS) forms or as requested by Director.

F. Public Record Request

1. Exclusive Property

The following become the exclusive property of COUNTY:

- Any Record or other document that CONTRACTOR gives Director, including about the procurement of this CONTRACT (such as proposals);
- Any Record or other document that Director obtains about Director's audit or inspection under this CONTRACT, including books and accounting records.

The above Records or other documents become a matter of public record and shall be regarded as public records, *except* if CONTRACTOR marks them as a "trade secret," "confidential," or "proprietary," they will be deemed excluded from disclosure under Government Code 6250 et seq. (Public Records Act). However, if a requestor seeking records marked "trade secret," "confidential," or "proprietary" does not agree that the records are exempt, then COUNTY will notify the CONTRACTOR that such records will be produced, unless the CONTRACTOR intercedes and files an injunction or other action to legally prevent disclosure.

CONTRACTOR agrees that COUNTY shall not in any way be liable or responsible for the disclosure of any such records including, with limitation, those so marked, if law requires disclosure, or by an order issued by a court of competent jurisdiction.

2. Defend, Indemnify and Hold COUNTY Harmless

CONTRACTOR shall defend, indemnify and hold harmless County from all costs and expenses, including reasonable attorney's fees, in connection with any requested action or liability arising under the Public Records Act, including request for any of the Records or other documents marked "trade secret," "confidential," or "proprietary." CONTRACTOR releases COUNTY from liability or responsibility for disclosing Records or other documents including those so marked, if Applicable Law require disclosure, including an order issued by a court of competent jurisdiction.

SECTION 11 - SUBSTITUTE, EMERGENCY AND BACK-UP SERVICE

A. Director's Right to Provide Contract Services

1. Events

With or without making use of CONTRACTOR's vehicles or personnel, COUNTY may provide or contract with a third party to provide, for the performance of, any or all Customers services in either of the following events, determined by Director in its sole discretion:

a. *Unable for a Period of 48 Hours to Collect*

- For 48 consecutive hours CONTRACTOR does not Collect and Dispose of any type of Solid Waste for any reason, including Uncontrollable Circumstances, or
- Director determines there is danger to public health, safety, or welfare.

b. *COUNTY Suspends or Terminates CONTRACT*

County suspends or terminates all or a portion of the CONTRACT.

COUNTY has no obligation to continue providing any or all Contract Services. It may stop providing them at any time, in its sole discretion. However, COUNTY may continue to provide those Contract Services until either of the following occurs:

- CONTRACTOR demonstrates to Director's satisfaction that CONTRACTOR is ready, willing, and able to resume providing timely and full Contract Services, or
- Director can make alternative arrangements for providing MSW Management Services comparable to Contract Services in scope and price. Alternative arrangements may include contracting with another, third-party service provider.

2. Notice

Director may give CONTRACTOR oral notice that Director is exercising its right to perform Task 1 and Task 2 Services, which notice is effective immediately, but must confirm oral notice with a Notice within 24 hours thereafter.

3. Stipulations

CONTRACTOR stipulates that COUNTY'S exercise of rights under this Section does not constitute a taking of private property for which COUNTY

must compensate CONTRACTOR, shall not create any liability on the part of COUNTY to CONTRACTOR, and does not exempt CONTRACTOR from any Indemnities, which Parties acknowledge are intended to extend to circumstances arising under this Section. However, CONTRACTOR is not required to indemnify COUNTY against claims and damages arising from the negligence or misconduct of COUNTY officers and employees (other than employees of CONTRACTOR at the time COUNTY began performing Task 1 and Task 2 Services) and agents driving Vehicles. COUNTY shall indemnify CONTRACTOR, its Affiliates and its and their officers, directors, employees, and agents from and against damages, costs, or other expenses or losses they incur arising out of or relating to that negligence or misconduct.

4. Rental and Other Compensation

a. *Uncontrollable Circumstances*

If an event described in items A1a or A1b in Section 11 is due to Uncontrollable Circumstances, then COUNTY shall pay CONTRACTOR the following Direct Costs. However, CONTRACTOR shall not double bill COUNTY for services already compensated through charging and collecting either Customer Service Fees or County Service Fees. For example, CONTRACTOR shall not be paid for the use of automated Collection Vehicles for scheduled weekly Collection from Containers since CONTRACTOR is already receiving Customer's payment for that service which includes use of these Vehicles.

(1) *Rental Fees*

Rental fees for the use of equipment equal to fair market value thereof as determined by an independent appraiser selected by the Parties.

(2) *Vehicles*

CONTRACTOR'S Direct Costs of providing Vehicles with fuel, oil, and other maintenance.

(3) *Personnel*

CONTRACTOR'S Direct Costs of making CONTRACTOR'S personnel available to COUNTY, including Direct Costs of using CONTRACTOR's personnel to operate CONTRACTOR's equipment or vehicles.

The Parties shall select an appraiser as follows: within ten days after CONTRACTOR requests payment of rental fees in events described

in item (i) of this subsection 8a, each Party will prepare a separate list of five Persons who do not work for either Party having experience in solid waste equipment appraisal, in numerical order with the first preference at the top, and exchange and compare lists. The Person ranking highest on the two lists by having the lowest total rank order position on the two lists is the appraiser. In case of a tie in scores, the Person having the smallest difference between the rankings of the two Parties is selected; a coin toss determines other ties. If no Person appears on both lists, this procedure is repeated. If selection is not completed after the exchange of three lists or 60 days, whichever comes first, then each Party will select one Person having the qualifications and experience described above and those two Persons will together select an appraiser. CONTRACTOR shall provide equipment, Vehicles, and/or personnel upon request and not wait for the determination of the appraiser.

b. Other Than Uncontrollable Circumstances

If an event enumerated in items A1a or A1b in Section 11 is not due to Uncontrollable Circumstances, then COUNTY will not be obligated to pay the compensation and CONTRACTOR shall pay County's Reimbursement Costs within 10 days of COUNTY'S submitting an invoice therefore. If CONTRACTOR does not so timely pay, COUNTY may draw upon any performance bond, letter of credit, or other security provided under this CONTRACT.

B. Backup Service Plan

CONTRACTOR shall implement its Backup Service Plan within seven days of Director request if Customer's Solid Waste is not Collected at Customer's Set-Out Site or Abandoned Waste is not Collected for any reason, including uncontrollable circumstances. An example is if CONTRACTOR'S drivers strike or it is not possible to provide Contract Services in difficult to service areas due to severe weather conditions, especially on hillsides. CONTRACTOR shall include the provisions:

1. Dumpsters or roll-off containers

Provide conveniently located Dumpsters or roll-off containers where Customers may discard Solid Waste.

2. Self-hauling Solid Waste

Offer Customers the option of self-hauling Solid Waste to a transfer station or disposal facility.

3. **Inform Customers**

Inform Customers of procedures for handling Solid Waste, preventing litter and discouraging vectors (such as keeping Carts in their storage place and not at Set-Out Sites, discarding excess Solid Waste in closed plastic bags and not loose in Carts).

4. **Customer Service Fee Refund Policy**

Describe any Customer Service Fee refund policy for missed Task 1 Services.

5. **Replacement Drivers**

Provide replacements for drivers and other employees who are not providing Collection or other Contract Services (such as supervisory personnel or management, or employees of Affiliates or other solid waste management companies), in cases of strikes of CONTRACTOR drivers, and security for those drivers and other employees.

6. **Priority Service Customers**

Identify customers that require priority service.

C. **Use of Goods, Services and Property**

1. **Cart Acquisition Contracts**

CONTRACTOR acknowledges that COUNTY must have full use and possession of Carts to secure its rights under this Contract, including both the following:

- Providing substitute franchise service in accordance with its remedies under Part 6 of Exhibit 5 for Breach or default, and
- Purchasing Carts upon termination of this Contract.

Therefore, if CONTRACTOR does not own Carts outright without encumbrance, any Cart Acquisition Contract must allow the Guarantor, COUNTY or COUNTY designee to do all the following:

- Assume CONTRACTOR's obligations under the Cart Acquisition Contract,
- Take use and possession of the Carts, and
- Obtain the benefits of any outstanding Cart warranties.

"Cart Acquisition Contract" means an instrument establishing a security interest in the Carts or that otherwise encumbers or limits CONTRACTOR's interest in Carts, including any of the following:

- Lease or lease-purchase agreement,
- Installment sales or other financing contract, or
- Note or other loan documentation.

2. Inventory

CONTRACTOR shall store unused Carts in a secure location. CONTRACTOR shall update its Cart inventory at both following times:

- In each Monthly Report and Annual Report, and
- Within one week of COUNTY request

3. Insurance

If COUNTY or Customers have possession and use of Goods, Services and Property, CONTRACTOR shall execute whatever documentation its liability insurers require to ensure that COUNTY and Customers are protected and covered by CONTRACTOR's general and automobile policies, including requesting and executing endorsements to those policies. CONTRACTOR is not obligated to pay any additional cost of those endorsements unless COUNTY reimburses CONTRACTOR for those costs. COUNTY may pay for any endorsements, additional premiums or other costs. CONTRACTOR authorizes COUNTY to call and confer with CONTRACTOR's insurance broker to determine what, if any, documentation or actions are necessary to achieve protection satisfactory to COUNTY. Upon COUNTY REQUEST, CONTRACTOR shall direct its insurance broker to cooperate with and take direction from COUNTY. CONTRACTOR may not rescind that authorization without COUNTY consent.

4. Vehicle Certification for FEMA

CONTRACTOR shall cooperate with COUNTY to certify all Vehicles to be used for emergency work. CONTRACTOR shall not use non-certified Vehicles unless approved by Director.

SECTION 12 - ENFORCEMENT OF CONTRACT

A. As Provided by Law

Either Party may avail itself of any remedy available under law.

B. COUNTY's Additional Remedies

Without limiting COUNTY'S remedies otherwise available under this CONTRACT in law or equity, at its option, COUNTY may enforce a Breach in any or all the following ways:

- Execute alternative CONTRACTs for MSW Management Services in the event of CONTRACTOR Default
- Seek to obtain injunctive relief and/or damages
- Assess damages under item D of this Exhibit
- With respect to a CONTRACTOR Default under Part 6B3 of Exhibit 5 (Failure to Provide Insurance, Bonds), immediately withhold payments due CONTRACTOR
- Draw on Performance Assurance / Letter of Credit under Section 15

C. Injunctive Relief

CONTRACTOR acknowledges that COUNTY'S remedy of damages for a Breach may be inadequate for reasons including the following:

- The urgency of timely, continuous, and high-quality Task 1 and Task 2 Services, including Collection, transportation, and/or transfer for Disposal of wastes which constitute a threat to public health;
- The long time and significant commitment of money and personnel and elected officials (both COUNTY staff and private consultants, including engineers, procurement counsel, citizens, public agency colleagues, and elected County officials) invested in this CONTRACT, including developing COUNTY'S Option Analysis dated February 2001 and implementing its recommendations through numerous meetings of a Working Group comprised of Solid Waste industry representatives from small and large businesses, requesting and evaluating qualifications and proposals for this CONTRACT (including CONTRACTOR'S), reviewing and commenting on documentation submitted by CONTRACTOR in conjunction with execution of this CONTRACT, and review of CONTRACTOR Documentation;
- The time and investment of personnel and elected officials described in the preceding paragraph to develop alternative Solid Waste services comparable to Task 1 and Task 2 Services for the price provided under this CONTRACT, and to negotiate new contracts therefore; and
- COUNTY'S reliance on CONTRACTOR'S technical Solid Waste management expertise.

Consequently, COUNTY is entitled to all available equitable remedies, including injunctive relief.

D. Recovery of Damages

1. Compensatory

COUNTY may seek compensatory damages, including, but not limited to the following:

- Amounts equal to any Franchise Fees, liquidated damages, or other amounts that CONTRACTOR has previously paid to COUNTY but are subsequently recovered from COUNTY by a trustee in bankruptcy as preferential payments or otherwise;
- If COUNTY terminates this CONTRACT for a CONTRACTOR Default or in the event of Criminal Activity in accordance with Part 6D2 of Exhibit 5, costs incurred by COUNTY to provide or reprocur MSW Management Services in lieu of Task 1 and Task 2 Services;
- If COUNTY terminates this CONTRACT before expiration for a CONTRACTOR Default or in the event of Criminal Activity in accordance with Part 6D2 of Exhibit 5, costs of MSW Management Services provided or reprocured in lieu of Task 1 and Task 2 services more than Customer Service Fees/County Service Fees for the balance of the Term remaining if this CONTRACT had not been terminated; and
- In the event of CONTRACTOR DEFAULT under Part 6B3 of Exhibit 5 (Failure to Provide Insurance, Bond), in COUNTY'S sole discretion, obtain damages resulting from that DEFAULT.

COUNTY may draw upon the performance bond, letter of credit, certificate of deposit, or other form of performance assurance provided by CONTRACTOR in accordance with Section 15 to pay compensatory damages.

For CONTRACTOR'S misrepresentation regarding contingent fees in Attachment 5-9H, in addition to terminating this CONTRACT, COUNTY may recover from CONTRACTOR the full amount of the proscribed commission, percentage, brokerage, or contingent fee.

2. Liquidated Damages

COUNTY may seek liquidated damages listed in Exhibit 12-D2.

The Parties have set these liquidated damages in recognition of the following circumstances existing at the time of the formation of this CONTRACT:

- a. COUNTY incurred considerable time and expense procuring this CONTRACT to secure an improved level of Collection quality and increased Customer and Occupant satisfaction. Therefore,

consistent and reliable Task 1 and Task 2 Services are of the utmost importance to COUNTY and Customers and Occupants.

- b.* COUNTY has considered and relied on CONTRACTOR'S representations as to its quality of service commitment in entering into this CONTRACT, and CONTRACTOR'S Breach represents a loss of bargain to COUNTY. CONTRACTOR is experienced in providing services like Task 1 and Task 2 Services.
- c.* Quantified standards of performance are necessary and appropriate to ensure quality, consistent, and reliable Collection, and if CONTRACTOR fails to meet its Performance Obligations, COUNTY will suffer damages (including its Customers and Occupants' inconvenience; anxiety, frustration, potential political pressure, criticism, and complaint by Customers and Occupants; lost Supervisors and staff time; deprivation of the benefits of this CONTRACT and loss of bargain) in subjective ways and in varying degrees of intensity that are incapable of measurement in precise monetary terms, and that it is and will be impracticable and extremely difficult to ascertain and determine the value thereof. It would be difficult for COUNTY to prove its loss resulting from CONTRACTOR'S Breaches and nonperformance or untimely, negligent, or inadequate performance of County Services.
- d.* The CONTRACT contains a reasonable statement of Task 1 and Task 2 Services in order that the Parties will realize their expectations. COUNTY expects that CONTRACTOR shall perform Task 1 and Task 2 Services with due care in a workmanlike, competent, timely, and cost-efficient manner. CONTRACTOR expects to realize a profit by performing Task 1 and Task 2 Services in accordance with the terms and conditions of the CONTRACT for County Service Fees.
- e.* In addition, in the event of Breach or CONTRACTOR Default, urgency of protecting public health and safety may necessitate that COUNTY enter into emergency or short-term arrangements for services without competitive procurement at prices substantially greater than under this CONTRACT, and the monetary loss resulting there from is impossible to precisely quantify. Time is of the essence.
- f.* The CONTRACTOR accepts COUNTY'S assessment of liquidated damages for certain Breaches as part of the consideration CONTRACTOR offers to COUNTY for the award of this CONTRACT to CONTRACTOR.

- g.** Lastly, termination of this CONTRACT for CONTRACTOR Default and other remedies provided in this CONTRACT are, at best, a means of future correction and not remedies that make COUNTY whole for past Breaches and CONTRACTOR Defaults.

Therefore, the Parties agree that the liquidated damages listed in Exhibit 12-D2 represent a reasonable estimate and fair approximation of the amount of damages COUNTY would incur as a consequence of CONTRACTOR'S Breach corresponding to each item of specified liquidated damages, considering all the circumstances existing on the date of this CONTRACT, including the relationship of the sums to the range of harm to COUNTY that reasonably could be anticipated and anticipation that proof of actual damages would be costly or inconvenient.

In signing this CONTRACT, each Party specifically confirms the following:

- the accuracy of the statements made above, and
- the fact that each Party had many opportunities to consult with legal counsel and obtain an explanation of this liquidated damage provision at the time that this CONTRACT was made.

E. County's Reimbursement Costs

CONTRACTOR shall pay COUNTY promptly upon request, COUNTY'S Reimbursement Costs of conducting a nonroutine investigation of any alleged Breach, when appropriate in judgment of Director. CONTRACTOR shall reimburse COUNTY for COUNTY'S Reimbursement Costs incurred because of CONTRACTOR'S Breach, including failure to maintain insurance.

F. Waiver

No waiver by County of any Breach of any provision of this CONTRACT constitutes a waiver of any other Breach of that provision. Failure of COUNTY to enforce at any time, or from time to time, any provision of this CONTRACT will not be construed as a waiver thereof. The rights and remedies set forth in this item F are exclusive and are in addition to any other rights and remedies provided by law or under this CONTRACT.

CONTRACTOR warrants that the individual signing this CONTRACT below has been duly authorized by CONTRACTOR to sign this CONTRACT on behalf of CONTRACTOR and has the full right, power, and authority to bind CONTRACTOR to this CONTRACT.

SECTION 15 - PERFORMANCE ASSURANCE

A. Performance Bonds, Other Securities

CONTRACTOR shall secure and maintain throughout the Term and until CONTRACTOR has complied with all its obligations that survive the Expiration Date a faithful performance bond, approved by COUNTY. The Performance Assurance secures full and timely satisfaction of Performance Obligations for both Task 1 and Task 2 services.

CONTRACTOR shall provide a Performance Assurance in the amount listed in the table below for the period beginning on the Execution Date and ending on the last day of the first Contract Year.

Service Area	Amount of Performance Assurance

Best Rating of not less than A:VII, unless otherwise approved by Director. The form of performance bond may not allow the bond surety to substitute another Person to perform Task 1 and Task 2 services but must provide for payment of moneys to COUNTY to; (1) secure substitute Task 1 and Task 2 services; (2) remedy damages incurred by COUNTY, including reasonable expenses, attorney's fees, and liquidated and compensatory damages; (3) ensure satisfaction of all Performance Obligations, including

payment of Franchise Fees; and, (4) repay any money recovered from COUNTY in any bankruptcy or similar proceedings relating to CONTRACTOR. The performance bond must be conditioned on faithful performance by CONTRACTOR of all the terms and conditions of this CONTRACT, including payment of Franchise Fees and any liquidated damages.

Each Performance Assurance must be renewed to provide for continuing liability in the above amount notwithstanding any payment or recovery thereon. At least 30 days prior to the Execution Date and 30 days prior to any renewal of the Performance Assurance, CONTRACTOR shall deliver the Performance Assurance to Director.

Director may verify the accuracy and authenticity of the Performance Assurance submitted.

There are inexpensive consumer dashboard cameras on the market that will record video and GPS location to meet this requirement. The use of any Vehicles to Collect Solid Waste without monitoring equipment requires Director's consent.

Failing to provide requested reports for any reason will be considered an admission of guilt for the purposes of investigating CONTRACT service commitments. For example, if Director requests a report to verify Collection occurred on a certain block, Director will have no way of knowing if CONTRACTOR intentionally deleted data to not incriminate themselves and therefore, the block will be considered not serviced if documentation is not provided and the action will be subject to Liquidated Damages both the failed collection and for failure to submit the requested report.

E. **Homeless Encampments**

CONTRACTOR acknowledges:

- Homeless Encampments are temporary and homeless individuals are transient,

- Homeless Encampments are not Customers and therefore Solid Waste generated and discarded in the Right-of-Way is considered Abandoned Waste, and
- Public health and safety requires that Solid Waste generated in Homeless Encampments must be removed not only when individuals abandon a Homeless Encampment, but also when they occupy it.

CONTRACTOR shall not remove anything from a Homeless Encampment except upon Director request. CONTRACTOR shall not remove any Unpermitted Waste, including biological or hazardous waste, rather CONTRACTOR shall notify Director of its presence, so Director may coordinate the removal.

The number of Containers needed of each location is not predetermined and will be specified by the Director upon start of this service. However, to maximize efficient Collections, CONTRACTOR is to inform Director if Containers in an area are frequently less than one-half full.

c. *Collection, Transport, and Diversions/Disposal*

Each week CONTRACTOR shall Collect Solid Waste discarded in Dumpsters.

The Set-Out Site is difficult to determine in advance and will need to be determined on case-by-case as set forth in Section E.1.a of this section.

Rehrig Pacific Roll-out Carts

Proven to withstand the rigors of today's collection systems, Rehrig Pacific's HuskyLite Roll-out Carts are setting new industry standards for durability and efficiency. Available in 18 gallon through 95 gallon models, for nearly any curbside application, these carts roll easily even with heavy loads. The continuous one-piece handle provides a strong gripping area and the wide wheelbase makes maneuvering easy.

HuskyLite carts are flexible, yet hold their shape even after years of service. A reinforced top lip adds strength and rigidity as do the double drag rail and reinforced bottom. The specially designed wide ground-hugging base helps keep these carts upright and stable.

TERMS AND CONDITIONS

What We Will Collect. We will collect refuse, green waste, and recyclables in carts we provide, within one week of your requesting services. You must place refuse, recyclable materials, and organics in the appropriate carts. Materials placed outside of carts will not be picked up unless previous arrangements have been made.

When Carts are Allowed at Set-Out Site. Carts must only be placed at the set-out site for collection within the hours 5:00 p.m. on the day before scheduled collection and 8:00 p.m. on the day of collection or 2 hours after collection, whichever is later.

We Will Not Collect Hazardous Waste. State law prohibits disposal of hazardous materials and electronic devices in your trash. These include most chemicals, paints, pesticides, motor oil, solvents, and electronic devices with a battery or plug. Common electronics banned from disposal include: batteries, computers, mobile phones, televisions, smoke detectors, calculators, and fluorescent lights. If these items are identified in your trash, your cart will be tagged and not serviced. Most electronic devices may be separately collected under this contract's bulky item program. For additional safe and legal disposal options, contact (888) CLEAN LA or CleanLA.com

When We Will Collect. We will make collections once a week between the hours of 6:00 a.m. and 6:00 p.m. on the same day of the week (Monday through Friday) each week. If your scheduled collection day falls on or after a holiday, collection will be delayed during the holiday week by one day (Friday customers will have their collection on Saturday). The holidays we observe are Memorial Day, Independence Day, Labor Day, Thanksgiving, Christmas, and New Year's Day. Should there be a permanent change in your scheduled collection day, we will notify you in advance. If we miss your collection, please call us and we will return to pick it up, without charge, on the same day if you call before 12:00 p.m. or on the next collection day if you call after 12:00 p.m.

How Much We Will Charge. We will charge all our customers the rates shown on the Rate Sheet for standard services and any additional requested services.

Where We Will Pick Up. On your scheduled collection day, except if you have roll-out service, you must place your carts at the agreed set-out site with carts facing the street and 18 inches apart from each other. Handles and wheels must be facing the curb. If we agreed to collect on private driveways or pavement, we will ask you to sign a waiver of damage liability and/or indemnification.

How to Request Replacement for Stolen Carts. We will replace stolen carts within 7 days of customer's request. Carts will be replaced without additional charge provided the customer submits a police report. Otherwise, customer will be charged a fee.

How to Receive Roll-Out Service. We can bring your carts out to the pickup point, at no additional charge, for residential customers who certify they are not able-bodied or are elderly (over the age of 62) and have no able-bodied person residing in their household. Roll-out service will be provided to these customers during their weekly collection of trash, recyclable materials, and organics, as well as during the annual curbside clear-up event, holiday tree pick-ups, and additional on-call pickups. These services are also available to any other customer upon request at the charge listed on the Rate Sheet. We will ask you to sign a waiver of damage liability and/or indemnification prior to providing this service. Please note that we will not enter your home.

How to Change to Different Sized Carts. If you have space restrictions at your container storage or set-out site, you may request alternatives to 96-gallon carts, in the same aggregate capacity, free of charge once per year.

Difficult to Service. At a charge listed on the Rate Sheet, this fee is assessed to difficult to service areas, such as cul-de-sacs or hills, where standard automated collection vehicles cannot safely drive.

Weight Limitations of Carts. The weight limit for each automated cart is as follows: 96-gallon cart = 330 lbs., 64-gallon cart = 220 lbs., 32-gallon cart = 120 lbs. If carts are found to be over these weight limits, they will be tagged and not serviced. You will be responsible for damage to an overloaded cart.

Annual Curbside Clean-Up Event. We will conduct a Clean-Up Event on Saturdays in March each year wherein we will collect 20 bulky items, excess solid waste, up to 2 passenger car or pickup truck tires, and certain electronic devices free of charge. We will collect construction and demolition debris only if they are in up to two bags, containers, or bundles each weighing 70 pounds or less. Notification containing details of the Annual Clean-Up Event will be sent to customers at least two weeks in advance.

Holiday Tree Pickups. We will collect your holiday trees (such as Christmas trees and Hanukkah bushes) placed at the curb on your regularly scheduled collection day during the period of three weeks following December 25th. You must strip them of ornaments, garlands, tinsel, and stands. Flocked trees are not allowed.

On-Call Pickups of Bulky Items. We will collect bulky items set out at the curb on your next regularly scheduled pickup day if you call us at least 24 hours in advance. Bulky items will be picked up at no additional charge up to 3 times per year with a maximum of 10 bulky items, 5 bags of excess trash, and 10 bags/bundles of excess green waste per pickup. Examples of bulky items include discarded furniture (such as chairs, sofas, mattresses, box springs, and rugs); appliances (such as refrigerators, range, washers, dryers, water heaters, dishwashers, plumbing, and other similar items) and construction and demolition debris in up to two 70-pound containers.

Additional On-Call Pickups of Bulky Items. We will collect bulky items, more than three times per year, on your next regularly scheduled pickup day, at the charges listed on your Rate Sheet, if you call us at least 24 hours in advance. Note that you may have an extra move-in/out bulky item collection at the start or end of your service at no charge.

Additional Customer Options Regarding Recyclables. Customers may donate or sell any or all of their recyclables to persons other than this waste hauler.

When You Must Pay. Residents are billed for services three months in advance. We send you your bill on or after the first day of your billing period, for example, on April 1 for the billing period of April, May, and June. Your bill is due no later than the last day of the first month, for example, on April 30. If we do not receive payment by the last day of the second month, for example, on May 31, your bill will become delinquent and an additional 10% fee will be added to the balance. We may terminate your service if you do not timely pay your service fees. There will be a charge of \$25.00 for interruption of service and a \$25.00 fee on returned checks.

Customer Termination Rights and Right To Self-Haul. You may cancel your service at any time by giving us 21-day notice. You also have the right to self-haul your waste instead of subscribing to our service.

Paperless Option. Do your part to reduce waste and enroll in the Smart-eClub to pay your bill online, receive text or email messages, and place service requests. You can also enroll in Burntec's paperless billing option at www.burntec.com (on the bill pay link).

To receive additional information regarding these terms and conditions or your service, please call us toll-free at (661) 222-2249 between 8:00 a.m. and 5:00 p.m. weekdays (except holidays) and 9:00 a.m. to 12:00 p.m. on Saturday's following a holiday. You may come to our office located at 26000 Springbrook Ave, Ste 101, Saugus, CA or you may mail correspondence to our office address. If we do not satisfactorily resolve any complaint, you may call the County at (888) CLEAN LA (or 253-2652).

- B. For purposes of this Policy, the same or related POLLUTION CONDITIONS at any one JOB SITE, or at any one COVERED LOCATION, shall be deemed a single POLLUTION CONDITION.
- C. This Policy will pay covered LOSS, CLEAN-UP COSTS, LEGAL EXPENSE or any other coverages afforded under this Policy only (1) in excess of the applicable Self-Insured Retention Amount stated in the Declarations, and (2) subject to the applicable Limit of Liability stated in the Declarations and the other terms and conditions of this Policy.

This Policy will pay covered BUSINESS INTERRUPTION OR CONTINGENT BUSINESS INTERRUPTION LOSS and EXTRA EXPENSE only (1) in excess of amounts incurred during the DEDUCTIBLE PERIOD, and (2) subject to the applicable Limit of Liability and the other terms and conditions of this Policy.

- D. The Self-Insured Retention Amount and amounts incurred during the DEDUCTIBLE PERIOD are to be borne by the INSURED and are not to be insured unless the Company has expressed its prior consent, in writing, to the FIRST NAMED INSURED if the same or related POLLUTION CONDITIONS could result in coverage under more than one coverage section for which a limit is stated in the Declarations, or under any other coverage afforded under this Policy, only the single highest Self-Insured Retention amongst such applicable coverages shall apply to that POLLUTION CONDITION.
- E. Subject to items F and H below, the Each POLLUTION CONDITION Limit set forth in the Declarations is the most the Company will pay for the sum of all LOSS, CLEAN-UP COSTS, and LEGAL EXPENSE under each applicable coverage section stated in the Declarations, or under any other coverages afforded under this Policy, arising out of the same or related POLLUTION CONDITIONS.

(Page 12 of 16)

PRE 30 01 (Ed 05 13)

- F. Subject to Item H below, the Coverage Section Aggregate Limit set forth in the Declarations is the most the Company will pay for the sum of all LOSS, CLEAN-UP COSTS, and LEGAL EXPENSE under each applicable coverage section stated in the Declarations, or under any other coverages afforded under this Policy
- G. Subject to the Coverage G Aggregate Limit and Item H below, the most the Company will pay for the sum of all BUSINESS INTERRUPTION OR CONTINGENT BUSINESS INTERRUPTION LOSS and EXTRA EXPENSE arising out of the same or related POLLUTION CONDITIONS is the Each POLLUTION CONDITION Limit stated in Item 3 G of the Declarations less any applicable co-insurance, which is included within the applicable Limits of Liability and shall serve to reduce such limits accordingly

If an INSURED could reduce the BUSINESS INTERRUPTION OR CONTINGENT BUSINESS INTERRUPTION LOSS and EXTRA EXPENSE by: (1) the partial or complete resumption of operations, or (2) making use of other space at a COVERED LOCATION or a location otherwise controlled by an INSURED, then such reduction will be taken into account when determining BUSINESS INTERRUPTION OR CONTINGENT BUSINESS LOSS and EXTRA EXPENSE

- H. The Company's total liability for the sum of all LOSS, CLEAN-UP COSTS, BUSINESS INTERRUPTION OR CONTINGENT BUSINESS INTERRUPTION LOSS, EXTRA EXPENSE, LEGAL EXPENSE and any other coverages afforded under this Policy, shall not exceed the Policy Aggregate Limit of Liability as stated in the Declarations
- I. With regard to Coverages afforded under this Policy
1. on a claims-made and reported basis, any LOSS, CLEAN-UP COSTS, BUSINESS INTERRUPTION OR CONTINGENT BUSINESS INTERRUPTION LOSS, EXTRA EXPENSE, LEGAL EXPENSE or any other coverages afforded under this Policy, incurred and reported to the Company, in writing, over more than one Policy Period, and resulting from the same or related POLLUTION CONDITIONS, shall be considered a single POLLUTION CONDITION. The associated LOSS, CLEAN-UP COSTS, BUSINESS INTERRUPTION OR CONTINGENT BUSINESS INTERRUPTION LOSS, EXTRA EXPENSE, LEGAL EXPENSE or any other coverages afforded under this Policy will be subject only to those Limits of Liability and Self-Insured Retention Amounts as indicated in the Policy in effect at the time the POLLUTION CONDITION was first reported to the Company, in writing.
 2. on an occurrence basis, progressive, continuous, or indivisible BODILY INJURY, PROPERTY DAMAGE, or ENVIRONMENTAL DAMAGE that occurs over more than one policy period and results from the same or related POLLUTION CONDITIONS, shall be considered to have occurred only in the policy period in which the first exposure to the POLLUTION CONDITION takes place. If the date of that first exposure (i) is prior to the beginning of the Policy Period of the first policy issued to an INSURED by the Company that contains coverage that is the same or substantially similar to that contained in Coverages afforded under this Policy on an occurrence basis, or (ii) cannot be determined, then such progressive, indivisible BODILY INJURY, PROPERTY DAMAGE, or ENVIRONMENTAL DAMAGE shall be considered to have occurred only on the first day of the Policy Period of the first policy issued to that INSURED by the Company that contains coverage that is the same or substantially similar to that contained in Coverages afforded under this Policy on an occurrence basis.

SECTION VII. REPORTING, DEFENSE, SETTLEMENT, AND COOPERATION

- A. As a condition precedent to the coverage hereunder, in the event a CLAIM is made against an INSURED for LOSS or CLEAN-UP COSTS, or a POLLUTION CONDITION is first discovered that results in a LOSS, BUSINESS INTERRUPTION OR CONTINGENT BUSINESS INTERRUPTION LOSS, EXTRA EXPENSE or CLEAN-UP COSTS, written or oral notice containing particulars sufficient to identify the INSURED and all reasonably obtainable information with respect to the time, place, and circumstances thereof, and the names and addresses of the injured and of available witnesses, shall be given by or for the INSURED to the Company or any of its authorized agents as soon as practicable. In the event of oral notice, the INSURED agrees to furnish a written report as soon as practicable. The INSURED shall also forward to the Company every demand, notice, summons, order or other process received by an INSURED or an INSURED's representative as soon as practicable.

- B. No costs, charges or expenses shall be incurred nor payments made, obligations assumed, or remediation commenced, without the Company's consent which shall not be unreasonably withheld. This provision does not apply to EMERGENCY RESPONSE COSTS. The INSURED shall notify the Company of all such EMERGENCY RESPONSE COSTS immediately after the emergency ends.
- C. The Company shall have the right to designate legal counsel for the investigation, adjustment, and defense of any CLAIM. The Company shall consult with the FIRST NAMED INSURED in conjunction with the selection of counsel. The Company shall have the right and duty to defend the INSURED against any CLAIM for LOSS or for CLEAN-UP COSTS. However, the Company will have no duty to defend the INSURED against any CLAIM for LOSS or for CLEAN-UP COSTS to which this Policy does not apply.
- D. Once the applicable Limit of Liability has been exhausted, the Company shall not be obligated to defend or continue to defend any CLAIM or pay for any LOSS, BUSINESS INTERRUPTION OR CONTINGENT BUSINESS INTERRUPTION LOSS, EXTRA EXPENSE, CLEAN-UP COSTS or other coverage afforded under this Policy.
- E. The Company may, where allowable by law, appoint one counsel to defend all INSUREDS under this Policy on a joint defense basis.
- F. In the event that an INSURED is entitled by law to select independent counsel (Cumis Counsel) to defend the INSURED at the Company's expense, that counsel's fees and all other litigation expenses charged to or paid by the Company shall be limited to the same rates that the Company would pay to counsel selected by the Company to defend a similar CLAIM in the location where the CLAIM arose or is being defended. The Company may require that such counsel meet certain minimum qualifications and maintain adequate errors and omissions insurance. The INSURED agrees that such counsel will timely respond to the Company's request for information.
- G. No INSURED shall admit liability or settle any CLAIM without the Company's consent. If the Company recommends a monetary settlement of a CLAIM acceptable to a claimant:
 - 1. for an amount within the Self-Insured Retention Amount and an INSURED refuses such settlement, the Company shall not be liable for any LOSS, CLEAN-UP COSTS, LEGAL EXPENSE, or any other coverages afforded under this Policy, in excess of the Self-Insured Retention Amount, or
 - 2. for a total amount in excess of the Self-Insured Retention and within the applicable Limits of Liability and an INSURED refuses such settlement, the Company's liability for LOSS, CLEAN-UP COSTS, LEGAL EXPENSE, or any other coverages afforded under this Policy, shall be limited to that portion of the sum of (a) the recommended settlement, and (b) the costs, charges and expenses already incurred as of the date of the INSURED's refusal which exceeds the Self-Insured Retention Amount and is within the Limit of Liability.
- H. All INSUREDS shall cooperate with the Company and, upon the Company's request, shall submit to examination by a representative of the Company, under oath, and shall attend hearings, depositions, and trials and shall assist in effecting settlement, securing and giving evidence, obtaining the attendance of witnesses, and in the conduct of suits, as well as in the investigation and defense, all without charge to the Company. All INSUREDS shall further cooperate with the Company and do whatever is necessary to secure and enforce any rights of indemnity, contribution, or apportionment which the INSURED may have.

SECTION VIII. TRANSFER OF LEGAL DEFENSE DUTIES

- A. If the Company believes that any of the applicable Limits of Liability stated in the Declarations has been or soon will be exhausted in defending a CLAIM, or that the Company has paid out or will soon pay out the Policy Aggregate Limit of Liability stated in the Declarations, the Company will so notify the FIRST NAMED INSURED in writing as soon as possible. The Company will advise that its duty to defend any CLAIM seeking damages subject to those limits has terminated, subject to payment of the limits, and that it will no longer handle the defense of any CLAIM for which notice is given after the date it sends out such notice. The Company will take prompt and appropriate steps to transfer control of any existing defense prior to exhaustion of the limits to the FIRST NAMED INSURED. The FIRST NAMED INSURED agrees to reimburse the Company for any costs which the Company bears in connection with the transfer of the defense.

PRE 30 01 (Ed 05 13)

- B. The Company will take appropriate steps necessary to defend the CLAIM during the transfer of the defense and avoid any unfavorable legal action provided that the INSURED cooperates in the transfer of the duties of the defense
- C. The Company's failure to comply with any of the provisions of Section VIII shall in no way obligate the Company to defend or continue to defend any CLAIM or to pay any LOSS, CLEAN-UP COSTS or other sum covered under this Policy after exhaustion of an applicable Limit of Liability

SECTION IX. CONDITIONS

- A. **ACTION AGAINST COMPANY** - No action brought by any person, organization, or entity, other than an INSURED, shall lie against the Company unless, as a condition precedent thereto, the INSURED has fully complied with all of the terms of this Policy and, the amount of the INSURED's obligation to pay shall have been finally determined either by judgment against the INSURED after actual trial or by written agreement of an INSURED, the claimant and the Company

Any person, organization, entity or the legal representative thereof who has secured such judgment or written agreement shall thereafter be entitled to recover under this Policy to the extent of the insurance afforded by this Policy. No person or organization shall have any right under this Policy to join the Company as a party to any action against the INSURED to determine the INSURED's liability nor shall the Company be impleaded by the INSURED or his legal representative

- B. **ASSIGNMENT** - This Policy shall be void as to the assignee or transferee, if assigned or transferred without written consent of the Company. However, this Policy can be assigned without the consent of the Company to any first mortgagee of a COVERED LOCATION. The FIRST NAMED INSURED shall notify the Company of such assignment as soon as possible.
- C. **BANKRUPTCY** - Bankruptcy or insolvency of the INSURED or of the INSURED's estate shall not relieve the Company of any of its obligations hereunder.

- D. **CANCELLATION** - This Policy may be cancelled by the FIRST NAMED INSURED by surrender thereof to the Company or any of its authorized agents or by mailing, delivering, emailing, or faxing to the Company written notice stating when thereafter the cancellation shall be effective. In the event of cancellation by the FIRST NAMED INSURED, the return premium shall be computed in accordance with the customary short rate table and procedure after applying the minimum earned premium percentage stated in the Declarations. If a CLAIM is made, a POLLUTION CONDITION is discovered, or coverage is otherwise afforded under this Policy, then the premium shall be considered fully earned by the Company and the INSURED is not entitled to a return premium upon cancellation.

This Policy may be cancelled by the Company by mailing, delivering, emailing, or faxing written notice to the FIRST NAMED INSURED at the address shown in the Declarations which states when, not less than ninety (90) days (ten (10) days for non-payment of premium) thereafter such cancellation shall be effective. The mailing, delivering, emailing, or faxing of notice as aforesaid shall be sufficient proof of notice. The time of surrender or the effective date and hour of cancellation stated in the notice shall become the end of the POLICY PERIOD. If the Company cancels, earned premium shall be computed pro rata. Premium adjustment may be made either at the time cancellation is affected or as soon as practicable after cancellation becomes effective, but payment or tender of unearned premium is not a condition of cancellation.

This Policy may be cancelled by the Company for the following reasons: (1) non-payment of premium, or (2) fraud or material misrepresentation on the part of an INSURED, such as can be proven in a court of law.

- E. **CHANGES** - Notice to any agent or knowledge possessed by any agent or by any other person shall not effect a waiver or a change in any part of this Policy or estop the Company from asserting any right under the terms of this Policy. The terms of this Policy cannot be waived or changed, except by an endorsement issued by the Company to form a part of this Policy.
- F. **CHOICE OF LAW** - All matters arising hereunder, including questions related to the validity, interpretation, performance and enforcement of this Policy, shall be determined in accordance with the law and practice of the State of New York (not including New York's choice of law rules).

PRE 30 01 (Ed 05 13)

- G. CONSENT** - Where the consent of the Company or the INSURED is required under this Policy such consent shall not be unreasonably withheld, delayed, conditioned, or denied
- H. DECLARATIONS AND REPRESENTATIONS** - By acceptance of this Policy, the INSURED agrees that the statements contained in the Declarations, the application and any other supplemental materials and information submitted in connection with the application or any amendments to the Policy during the POLICY PERIOD are the INSURED's declarations and representations, that they shall be deemed material, that this Policy is issued in reliance upon the truth of such declarations and representations and that this Policy embodies all agreements existing between the INSURED and the Company or any of its agents relating to this insurance
- I. HEADINGS** - The descriptions in the headings of this Policy are solely for convenience and form no part of the Policy terms and conditions.
- J. INSPECTION AND AUDIT** - The Company shall be permitted, but not obligated, to inspect and monitor on a continuing basis the INSURED's property or operations and any JOB SITE or COVERED LOCATION, at any time. Neither the Company's right to make inspections and monitor, nor the actual undertaking thereof, nor any report thereon, shall constitute an undertaking, on behalf of the INSURED or others, to determine or warrant that property or operations are safe, healthful or conform to acceptable engineering practice or are in compliance with any law, rule or regulation. Access for the inspection and audit will be coordinated through the broker or agent of the FIRST NAMED INSURED
- K. JURISDICTION AND VENUE** - It is agreed that in the event of the failure of the Company to pay any amount claimed to be due hereunder, the Company and the INSURED will submit to the jurisdiction of the State of New York and will comply with all the requirements necessary to give such court jurisdiction. Nothing in this clause constitutes or should be understood to constitute a waiver of the Company's right to remove an action to any United States District Court.
- L. MINIMUM EARNED PREMIUM** - Upon cancellation of this Policy, earned premium will be calculated using the appropriate pro-rata or short-rate method as outlined in Section IX, CONDITIONS, Item D, CANCELLATION. The amount of premium earned under this Policy will be the greater of (1) the calculated pro-rata or short rate premium, or (2) the Minimum Earned Premium percentage set forth in item 10 of the Declarations
- M. OTHER INSURANCE** - Subject to Section VI, Limit of Liability and Self-Insured Retention, this insurance shall apply only in excess of the sum of the Self-Insured Retention amount stated in the Declarations and the applicable limits of any other valid and collectible insurance available to the INSURED whether such other insurance is stated to be primary, pro rata, contributory, excess, contingent, or otherwise, unless such other insurance is written only as specific excess insurance over the applicable Limits of Liability of this Policy
- N. SEVERABILITY** - Except with regard to the Limits of Liability, Self-Insured Retention, Exclusion 9 ("Insured vs Insured") and any rights and duties assigned in this Policy to the FIRST NAMED INSURED, this insurance applies as if each INSURED were the only INSURED and separately to each INSURED against whom a CLAIM is made. Any misrepresentation, act or omission that is in violation of a term, duty or condition under this Policy by one INSURED shall not, by itself, affect coverage for another INSURED under this Policy. This Condition N shall not apply to an INSURED who is a parent, subsidiary or affiliate of the INSURED which committed the misrepresentation, act or omission referenced above
- O. SOLE AGENT** - The FIRST NAMED INSURED stated in the Declarations shall act on behalf of each and every INSURED for the payment or return of premium, receipt and acceptance of any endorsement issued to form a part of this Policy, giving and receiving notice of cancellation or non-renewal, and the exercise of the rights provided under Section V, EXTENDED REPORTING PERIOD
- P. SUBROGATION** - If the INSURED has rights to recover, from another person or organization, all or any part of a payment the Company makes under this Policy, those rights are transferred to the Company. The INSURED shall execute and deliver instruments and papers and do whatever else is necessary to secure such rights. The INSURED shall do nothing to prejudice such rights. Any monies recovered as a result of subrogation proceedings shall accrue first to the INSURED to the extent of any payments it made in excess of the Limits of Liability, then to the Company to the extent of its payment under the Policy, and then to the INSURED to the extent of its payment of the Self-Insured Retention. Expenses incurred in such subrogation proceedings shall be apportioned amongst the INSURED and Company in the proportion that each interested party's share in the recovery bears to the total recovery

B.6 – PERFORMANCE ASSURANCE

Bond No.: 0173603

Premium: \$8,411.00

BOND FOR FAITHFUL PERFORMANCE Annually Renewable Performance and Payment Bond

KNOW ALL MEN BY THESE PRESENTS: That Burrtec Waste Industries, Inc. ("Principal") and Berkley Insurance Company ("Surety"), are held and firmly bound unto the COUNTY OF LOS ANGELES, State of California ("Obligee"), in the penal sum of Six Hundred Seventy-Two Thousand Eight Hundred Seventy-Six and 96/100's (\$672,876.96) dollars for the payment of which sum, the Principal and Surety bind themselves, and each of their heirs, administrators, executors, successors and assigns, jointly and severally, firmly by these presents.

WHEREAS, the Principal has entered into a contract with the Obligee entitled Exclusive Franchise Contract for the Area of Santa Clarita Valley (Contract #003429) (the "Franchise Agreement") for the performance of the terms, conditions, covenants and obligations and services set forth in the Franchise Agreement, including but not limited to providing Franchise services in bins or dumpsters and roll-off boxes in the unincorporated areas of Los Angeles County and payment of the applicable franchise fee; and payment of any liquidated damages assessed pursuant to the Franchise Agreement; and

WHEREAS, the Franchise Agreement is hereby referred to and made a part hereof as fully and to the same extent as if copied at length herein;

NOW, THEREFORE, THE CONDITION OF THE ABOVE OBLIGATION IS SUCH, that if the Principal shall well and truly perform each and every covenant and obligation in the Franchise Agreement at the time and in the manner specified in the Franchise Agreement during the term of this bond, and shall reimburse the Obligee for all loss and damage which the Obligee may sustain by reason of failure or default on the part of the Principal, then this obligation shall be void, otherwise it shall remain in full force and effect.

PROVIDED, however that this bond is subject to the following conditions and provisions:

1. This bond is for the term beginning November 1, 2018 and ending November 1, 2019.
2. In the event of default by the Principal in the performance of the Franchise Agreement during the term of this bond, the Surety shall be liable only for the loss to the Obligee due to damages as described in Section 15 of the Franchise Agreement. The Surety, after investigation, shall with reasonable promptness determine the amount for which it may be liable to the Obligee as soon as practicable after the amount is determined, and tender payments to the Obligee to secure substitute services, remedy damages incurred, and ensure satisfaction of all performance obligations as set forth in Section 15 of the Franchise Agreement and only for the purpose of enforcing such Franchise Agreement obligations as they pertain to this bond.
3. Except for a claim for compensatory damages as defined in Section 17, D.1 of the Franchise Agreement, no claim, action, suit or proceeding, except as hereinafter set forth, shall be had or maintained against the Surety on this instrument unless it be brought or instituted and process served upon the Surety within two years after the expiration of the stated terms of this bond.
4. Neither non-renewal by the Surety, nor the failure or inability of the Principal to file a replacement bond in the event of non-renewal, shall itself constitute loss by the Obligee recoverable under this bond, notwithstanding any language in the Franchise Agreement to the contrary.
5. The bond may be extended for additional one-year terms at the option of the Surety, by Continuation Certificate executed by the Surety.
6. The liability of the Surety under this bond and all Continuation Certificates shall not be cumulative and under no circumstances shall the Surety's liability exceed the penal sum stated herein.
7. No right of action shall accrue on this bond to or for the use of any person, entity or corporation other than the Obligee and this bond cannot be assigned to any other party without the written consent of the Surety.

- 8 Other than the Surety's right to renew this bond to extend its termination date, the Surety stipulates and agrees that any change, extension of time, alteration or addition to the terms of the Contract, including alterations in the work to be done, or increase or decrease of the material to be furnished, shall not in any way release either the Principal or Surety, and Surety hereby waives notice of any such change, extension of time, alteration or addition.
- 9 In the event that suit is brought against this bond, the Surety will pay, in addition to the penal sum herein, costs and reasonable expenses and fees, including reasonable attorney's fees, as awarded and fixed by the court.

If you give an employee a Form W-2 on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If you give an employee a substitute Form W-2, but it does not have the required information, you must notify

the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2018.

You must hand the notice directly to the employee or send it by first-class mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can download copies of the notice at www.irs.gov/FormsPubs. Or you can go to www.irs.gov/OrderForms to order it.

How Will My Employees Know If They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see Pub. 596, Earned Income Credit (EIC), or the instructions for Form 1040, 1040A, or 1040EZ.

How Do My Employees Claim the EIC?

An eligible employee claims the EIC on his or her 2017 tax return. Even an employee who has no tax withheld from wages and owes no tax may claim the EIC and ask for a refund, but he or she must file a tax return to do so. For example, if an employee has no tax withheld in 2017 and owes no tax but is eligible for a credit of \$800, he or she must file a 2017 tax return to get the \$800 refund.

Sharps Collection Program for Santa Clarita Valley

Customers may request up to four 1 gallon Sharps containers per year, for storing and proper disposal at no additional cost.

What are home-generated sharps?

"Home generated sharps waste" means hypodermic needles, intravenous needles, lancets, and other devices that are used to penetrate the skin for the delivery of medications derived from a household.

As of September 1, 2008, State law prohibits residents from disposing of home-generated sharps waste in the trash.

How is a Sharps container obtained?

Participating residents can pick up a Sharps container at the Burrtec Office located at 26000 Springbrook Avenue, Suite 101, Santa Clarita, CA 91350 OR residents may have a container delivered (limit 4 containers per customer per year).

Container Use

1. Deposit syringes, needles and lancets into red container with the sharp end first. Do not fill the container to the top.
2. After container is 3/4 full, snap the cap firmly to close and place the container in a plastic bag. Seal securely.

Once the container is full, the customer may:

- Request a pick up of the container to be done in conjunction with the delivery of a new Sharps container

Item B.14 – BACKUP SERVICE PLAN

This item consists of 3 pages (including this page).

Item B.14 — BACKUP SERVICE PLAN

Backup Service Plan

CONTRACTOR shall implement its Backup Service Plan within seven days of Director request if Customer's Solid Waste is not Collected at Customer's Set-Out Site or Abandoned Waste is not Collected for any reason, including uncontrollable circumstances. An example is if CONTRACTOR'S drivers' strike or it is not possible to provide Contract Services in difficult to service areas due to severe weather conditions, especially on hillsides. In the event there is a protracted service disruption due to any cause, CONTRACTOR will institute many proactive actions to sustain Solid Waste Collection Services. Since Customers are expecting Collection, Transportation, and Disposal services that CONTRACTOR is not providing, CONTRACTOR shall not charge Customer or COUNTY for any of the services described below.

1. **Provide Conveniently Located Dumpsters or Roll-off Containers**

CONTRACTOR will place 3 or 4-yard Dumpsters and/or roll-off Containers throughout the community in key locations approved by Director.

2. **Offer Self-Hauling Solid Waste to a Facility**

CONTRACTOR will use Reasonable Business Efforts to make arrangements with the Solid Waste Disposal Facility normally used by CONTRACTOR for this Contract to allow each Occupant to direct haul and dispose of their solid waste, 6 days per week. The facility shall only charge the Customer for disposal costs with no minimum quantities.

Additionally, if Director determines the distance to the CONTRACTOR'S usual facility is too far from Occupants, CONTRACTOR will arrange for a local facility to allow each Occupant to drop-off the Solid Waste.

3. **Inform Customers of Temporary Procedures**

CONTRACTOR will use Reasonable Business Efforts to inform Customers and Occupants of the above service and disposal options. CONTRACTOR will provide Customers and Occupants with information on how to dispose of Occupant's solid waste by the following means:

- A recording on its customer service line to hear a taped looped message.
- Arrange for the broadcast of COUNTY's 30-second Public Service Announcement video on local cable access channels with CONTRACTOR to customize it to the situation, such as having text appear on the screen announcing date, times, and addresses.
- Contact local print media and produce a press release.
- Contact Customers and Occupants via phone, email, or text messages.

4. **Credit Policy for Missed Contract Services**

a. **Missed Curbside Collection**

Since Customer is expecting a Collection Service not provided, CONTRACTOR shall automatically credit Customer for each missed collection. For example, if a strike disrupts 2 weeks of the 13 Collections in a quarter, CONTRACTOR would credit Customer 2/13 of that quarter's fee toward the next quarter's fee.

CONTRACTOR will only charge the Customer for the Dumpster/roll-off option or the drop-off option at a rate agreed upon in advance with County staff and only that fee shall be considered a charge to all Customers, whether or not the Customer chooses to utilize the Dumpster/roll-off option for Disposal.

b. **Other Customer Services**

When CONTRACTOR is unable to offer Customer Services other than curbside collection, such as Annual Curbside Cleanup, Mulch/Compost Giveaway events, or other required services, CONTRACTOR shall provide evidence of cost associated with those services and offer alternate services acceptable to Director.

5. **Provide Replacement Drivers and Security**

CONTRACTOR shall use Reasonable Business Efforts to require all properly trained and licensed employees to operate Collection Vehicles to maintain core Disposal and Diversion services. As described in the above paragraphs, CONTRACTOR shall be properly staffed to provide drop-off services for each Occupant. In addition to CONTRACTOR staff, CONTRACTOR shall use drivers or Vehicles from other operations and other waste haulers.

Finally, in cases of a strike, CONTRACTOR shall work closely with a private security firm to guarantee a safe and consistent operation.

6. **Identify Customers Requiring Priority Service**

CONTRACTOR shall contact the elderly and disabled Occupants with Roll-out Service and shall use Reasonable Business Efforts to Collect putrescible Solid Waste from their residence.

Methodology of Allocating Materials

Burrtec Waste Industries, Inc. (Burrtec) shall haul all collected materials in the franchise area of Santa Clarita Valley to the facilities listed above.

As required by this contract, Burrtec does not commingle any materials with any other municipality, agency or jurisdiction. All materials collected are segregated by truck and route, no collected material is commingled with any other collected material. All materials collected are weighed in upon delivery at the respective facilities via certified scales and processed through either the material recovery facility or the landfill/transfer station.

Tare Weights

All vehicles utilizing the facilities are weighed empty and loaded into the scale software systems to determine the exact weights of the commodities being delivered. Each vehicle is individually identified by the truck number, route and tare weight. Periodically tare weights are re-verified to maintain accuracy.

Solid Waste

Solid waste materials are weighed at the certified scales before entering the facility. The exact net weight of the material collected is assigned to the franchise area. The municipal solid waste will be transported to the landfill for buried. On a monthly basis, Burrtec reconciles weight records against invoices and verifies jurisdictions of origin.

Green Waste

Green waste materials are weighed at the certified scales before entering the facility. The exact net weight of the material collected is assigned to the franchise area. The green waste collected is unloaded at the green waste processing area where the material is used as part of the alternative daily cover program. On a monthly basis, Burrtec reconciles weight records against invoices and verifies jurisdictions of origin.

Commingled Recyclables

The facility will conduct a waste characterization of the commingled blue cart recyclables delivered from the facility. Each commodity collected in the collection process is segregated by weight and material classification. The waste characterization process is conducted on a random load of materials delivered from the respective jurisdiction. This

process reveals the amount of contamination or non-recyclable material that is present in the total tonnage collected. Based on waste characterization data we are able to formulate strategies to target areas of improvement.

Commingled recyclable materials are weighed at the certified scales before entering the facility. The exact net weight of the material collected is assigned to the franchise area. The recyclables collected are unloaded at the tipping area for further processing.

The facility reconciles the incoming and outgoing tonnages by weighing all materials recovered. Each outbound commodity weight is collected and reconciled with the waste characterization for the facility. All residue materials are carefully tracked based upon the waste characterization and allocated to the appropriate jurisdiction.

Reporting

Burrtec records all solid waste tonnage collection on a daily basis. The methodology includes categorizing the tonnage by material type, route, and collection day. At the end of each month this information is summarized in a Waste Generation and Diversion Report that specifies total tons by material type. All diverted materials tonnage (recyclables, green waste, metals, wood, e-waste, CEDs, etc) is totaled and compared to total solid waste collected and a diversion percentage is established for that month.

Miscellaneous Materials

Bulky items/Self Haul

Bulky items collected are tracked by jurisdiction and identified by material type to maximum diversion. All materials recovered are allocated based upon weight and jurisdiction of generation.

Electronic Waste

Burrtec is a licensed Electronic Waste Handler. All electronic waste materials collected are weighed and allocated by commodity type. All materials recovered under this program are carefully recorded and reported back to Burrtec and the State of California by E-Recycling.

Item B.18 – ADDITIONAL CONTRACTOR COMMITMENTS

This item consists of 2 pages (including this page).

Item B.18 – ADDITIONAL CONTRACTOR COMMITMENTS MADE IN ITS PROPOSAL FOR PROCUREMENT OF THIS AGREEMENT

The Additional Special Services are programs that are provided above and beyond those that are required in the RFP specifications. These services will greatly enhance the franchise programs for the Santa Clarita Valley residents and further assist the County in meeting its AB939 waste diversion goals. It is anticipated that this improved “full service” value provided by Burrtec will be well received with high resident participation levels.

1. Shred Day

Burrtec will provide for an annual Shred Day that will be incorporated with one of the mulch events. Residential customers can bring unwanted paper documents to the designated location for shredding and recycling of the material. This will help mitigate concerns with identity theft and recycle the shredded materials to help meet the County’s waste diversion goals. This Shred Day service will be provided at no additional cost to the County or the residential customers.

2. Neighborhood Watch on Wheels

Burrtec staff maintains a significant presence throughout residential neighborhoods. As a responsible community partner, Burrtec staff will contact the local law enforcement agencies to report obvious criminal activities that are observed in the course of providing collection services. The “Neighborhood Watch on Wheels” efforts will contribute in maintaining a safer community and deter blatant criminal activities.

3. Military Discount

Those residential customers whose spouse is an active member in the military services who would otherwise reside in the home as the primary residence would be eligible for a 5% discount. Burrtec will request appropriate documentation from residential customers to qualify for the discount.

Item B.19 – TRANSITION ROLL-OUT PLAN

This item consists of 2 pages (including this page).

Item B.19 – TRANSITION ROLL-OUT PLAN

Prior to the start date, Burrtec will provide the Director a start-up transition plan for approval. The plan will include a detailed timeline with activities and estimated date. Given that Burrtec is the current service provider, vehicle and container purchases and activities are not included. The plan will include items such as:

- Ordering vehicle camera and GPS system
- Camera & GPS system delivery and installation
- Public outreach and education activities
- Re-training route drivers and CSRs
- Commencement date of Collection

Burrtec will implement the approved start-up transition roll-out plan for an orderly implementation.

Burrtec to mail out County letter notifying residents that the new residential contract for trash collection services in carts was awarded to Burrtec Waste Industries.

Burrtec to mail out a letter regarding the new services under the new contract along with the rate sheet, terms and conditions, and service brochure.

Burrtec will mail out a post card highlighting new services approximately two weeks after the start of service under the new contract.

Continue customer’s services, container quantity and sizes, and discounts from current customer service list, including not providing containers to addresses not currently utilizing residential collection services.

Item B.20 – DIFFICULT TO SERVICE OCCUPANTS

This item consists of 2 pages (including this page).

Item B.20 – DIFFICULT TO SERVICE OCCUPANTS

Burrtec serves many residential customers throughout Southern California; some of these accounts may be in isolated, hard-to-service areas or have space limitations. Our experience to date has included hard-to-access Mountain roads, unpaved Desert roads, narrow roads, dirt roads, tightly developed urban areas, etc.

These service challenges require special equipment and collection methods to address the type of restrictions that may be present. While no single service option is ideal Burrtec is prepared to offer equipment and container alternatives to facilitate program compliance within the same rate schedule as other residential services. This will include providing alternative carts having the same aggregate capacity as would be provided under the regular services schedule. For example, up to 3 – 35 gallon carts will be provided in areas where customers face space restrictions for cart storage or set out sites.

Additionally, collection equipment options may require smaller collection vehicles that are able to safely and effectively maneuver in difficult to service areas. This equipment will allow safe access to hard-to-service areas with either manual or automated collection methods. Specific service option alternatives will be developed for each circumstance. Subject to Director's approval, Burrtec will charge the County approved difficult to service fee.

PART 1 - Part no longer used.

PART 2 - Part no longer used.

PART 3 - GENERAL CONTRACT REQUIREMENTS

A. Employment Eligibility Verification

1. CONTRACTOR warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens and others and that all its employees performing work under this CONTRACT meet the citizenship or alien status requirements set forth in Federal and State statutes and regulations. CONTRACTOR shall obtain, from all covered employees performing services hereunder, all verification and other documentation of employment eligibility status required by Federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986 (P.L. 99-603), or as they currently exist and as they may be hereafter amended. CONTRACTOR shall retain all such documentation for all covered employees for the period prescribed by law.
2. CONTRACTOR shall defend and hold harmless, COUNTY, its Special Districts, Elected Officials, Officers, Agents, Employees, and Volunteers sanctions and any other liability which may be assessed against CONTRACTOR or COUNTY or both about any alleged violation of Federal or State statutes or regulations pertaining to the eligibility for employment of persons performing services under this CONTRACT.

B. Security and Background Investigations

Security and background investigations of CONTRACTOR's staff may be required at the discretion of COUNTY as a condition of beginning and continuing work under any resulting CONTRACT. The cost of background checks is the responsibility of CONTRACTOR.

C. Consideration of Hiring COUNTY Employees

Should CONTRACTOR require additional or replacement personnel after the effective date of this CONTRACT to perform the services set forth herein, CONTRACTOR shall give first consideration for such employment openings to qualified permanent COUNTY employees who are targeted for layoff or qualified, former COUNTY employees who are on a reemployment list during the life of this CONTRACT.

D. Conflict of Interest

No COUNTY employee whose position with COUNTY enables such employee to influence the award of this CONTRACT or any competing contract, and no spouse or economic dependent of such employee shall be employed in any capacity by CONTRACTOR or have any other direct or indirect financial interest in this CONTRACT. No officer or employee of CONTRACTOR who may financially benefit from the performance of the work hereunder shall in any way participate in COUNTY's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence COUNTY's approval or ongoing evaluation of such work.

CONTRACTOR represents and warrants that it is aware of, and its authorized officers have read, the provisions of COUNTY Code, Section 2.180.010, "Certain Contracts Prohibited," and that execution of this CONTRACT will not violate those provisions. CONTRACTOR shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this CONTRACT. CONTRACTOR warrants that it is not now aware of any facts that create a conflict of interest. If CONTRACTOR hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to COUNTY. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this paragraph shall be a material breach of this CONTRACT subjecting CONTRACTOR to either contract termination for default or debarment proceedings or both. CONTRACTOR must sign and adhere to the "Conflict of Interest Certification" (Form PW-5).

E. Fair Labor Standards Act

CONTRACTOR shall comply with all applicable provisions of the Federal Fair Labor Standards Act and shall indemnify, defend, and hold harmless COUNTY, its Special Districts, Elected Officials, Officers, Agents, Employees, and Volunteers from all liability, including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs, and attorneys' fees arising under any wage and hour law, including the Federal Fair Labor Standards Act, for work performed by CONTRACTOR's employees for which COUNTY may be found jointly or solely liable.

F. Consideration of GAIN/GROW Participants for Employment

COUNTY will refer GAIN and GROW participants by category to CONTRACTOR. If both laid-off COUNTY employees and GAIN and GROW participants in categories identified by COUNTY are available for hiring, CONTRACTOR shall give COUNTY employees priority.

G. Record Retention and Inspection/Audit Settlement

CONTRACTOR shall maintain accurate and complete financial records of its activities and operations relating to this CONTRACT in accordance with generally

accepted accounting principles. CONTRACTOR shall also maintain accurate and complete employment and other records relating to its performance of this CONTRACT. CONTRACTOR agrees that COUNTY, or its authorized representatives, shall have access to and the right to examine, audit, review records, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to this CONTRACT. All such material, including, but not limited to, all financial records, bank statements, cancelled checks, or other proof of payment, timecards, sign-in/sign-out sheets, and other time and employment records, and proprietary data and information, shall be kept and maintained by CONTRACTOR and shall be made available to COUNTY during the term of this CONTRACT and for a period of five years thereafter unless COUNTY's written permission is given to Dispose of any such material prior to such time. All such material shall be maintained by CONTRACTOR at a location in COUNTY, provided that if any such material is located outside COUNTY, then, at COUNTY's option, CONTRACTOR shall pay COUNTY for travel, per diem, and other costs incurred by COUNTY to examine, audit, review records, excerpt, copy, or transcribe such material at such other location.

1. If a review of records of CONTRACTOR is conducted specifically regarding this CONTRACT by any Federal or State auditor, or by any auditor, reviewer, or accountant employed by CONTRACTOR or otherwise, then CONTRACTOR shall file a copy of such review of records report with COUNTY's Auditor-Controller within 30 days of CONTRACTOR's receipt thereof, unless otherwise provided by applicable Federal or State law or under this CONTRACT. Subject to applicable law, COUNTY shall make a reasonable effort to maintain the confidentiality of such review of records report(s).
2. Failure on the part of CONTRACTOR to comply with any of the provisions of this paragraph shall constitute a material breach of this CONTRACT upon which COUNTY may suspend or terminate for default or suspend this CONTRACT.
3. If, at any time during the term of this CONTRACT or within five years after the expiration or termination of this CONTRACT, representatives of COUNTY conduct a review of records of CONTRACTOR regarding the work performed under this CONTRACT, and if such review of records finds that COUNTY's dollar liability for any such work is less than payments made by COUNTY to CONTRACTOR, then the difference shall be either: a) repaid by CONTRACTOR to COUNTY by cash payment upon demand or b) at the sole option of COUNTY's Auditor-Controller, deducted from any amounts due to CONTRACTOR from COUNTY, whether under this CONTRACT or otherwise. If such review of records finds that COUNTY's dollar liability for such work is more than the payments made by COUNTY to CONTRACTOR, then the difference shall be paid to CONTRACTOR by COUNTY by cash payment, provided that in no event shall COUNTY's maximum obligation for this CONTRACT exceed the funds appropriated by COUNTY for this CONTRACT.

H. Compliance with COUNTY's Jury Service Program

1. Jury Service Program

This CONTRACT is subject to the provisions of COUNTY's ordinance entitled CONTRACTOR Employee Jury Service (Jury Service Program) as codified in Sections 2.203.010 through 2.203.090 of COUNTY Code.

2. Written Employee Jury Service Policy

- a. Unless CONTRACTOR has demonstrated to COUNTY's satisfaction either that CONTRACTOR is not a "CONTRACTOR" as defined under the Jury Service Program (Section 2.203.020 of COUNTY Code) or that CONTRACTOR qualifies for an exception to the Jury Service Program (Section 2.203.070 of COUNTY Code), CONTRACTOR shall have and adhere to a written policy that provides that its Employees shall receive from CONTRACTOR, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employee deposit any fees received for such jury service with CONTRACTOR or that CONTRACTOR deduct from the Employee's regular pay the fees received for jury service.
- b. For purposes of this Section, "CONTRACTOR" means a person, partnership, corporation, or other entity which has a contract with COUNTY or a subcontract with a COUNTY contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more COUNTY contracts or subcontracts. "Employee" means any California resident who is a full-time employee of CONTRACTOR. "Full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by COUNTY, or 2) CONTRACTOR has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If CONTRACTOR uses any Subcontractor to perform services for COUNTY under this CONTRACT, the Subcontractor shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract CONTRACT and a copy of the Jury Service Program shall be attached to the CONTRACT.
- c. If CONTRACTOR is not required to comply with the Jury Service Program when this CONTRACT commences, CONTRACTOR shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and

CONTRACTOR shall immediately notify COUNTY if CONTRACTOR at any time either comes within the Jury Service Program's definition of "CONTRACTOR" or if CONTRACTOR no longer qualifies for an exception to the Jury Service Program. In either event, CONTRACTOR shall immediately implement a written policy consistent with the Jury Service Program. COUNTY may also require, at any time during this CONTRACT and at its sole discretion, that CONTRACTOR demonstrate to COUNTY's satisfaction that CONTRACTOR either continues to remain outside of the Jury Service Program's definition of "CONTRACTOR" and/or that CONTRACTOR continues to qualify for an exception to the Jury Service Program.

- d. CONTRACTOR's violation of this Section of this CONTRACT may constitute a material breach of this CONTRACT. In the event of such material breach, COUNTY may, in its sole discretion, suspend or terminate this CONTRACT and/or bar CONTRACTOR from the award of future COUNTY contracts for a period consistent with the seriousness of the breach.

I. CONTRACTOR's Charitable Activities Compliance

The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring CONTRACTOR's to complete the Charitable Contributions Certification (Form PW-12), COUNTY seeks to ensure that all COUNTY CONTRACTOR's which receive or raise charitable contributions comply with California law to protect COUNTY and its taxpayers. A CONTRACTOR which receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination for default or debarment proceedings or both. (COUNTY Code Chapter 2.202)

J. Social Enterprise Preference Program

CONTRACT is subject to the provisions of COUNTY's ordinance entitled Social Enterprise (SE) Preference Program, as codified in Chapter 2.205 of COUNTY Code.

CONTRACTOR shall not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a SE.

CONTRACTOR shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a COUNTY official or employee for the purpose of influencing the certification or denial of certification of any entity as a SE.

If CONTRACTOR has obtained COUNTY certification as a SE by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this contract to which it would not otherwise have been entitled, CONTRACTOR shall:

- Pay to COUNTY any difference between the CONTRACT amount and what COUNTY'S costs would have been if the CONTRACT had been properly awarded.
- In addition to the amount described in subdivision (1), be assessed a penalty in the amount of not more than ten percent of the amount of this CONTRACT.
- Be subject to the provisions of Chapter 2.202 of COUNTY Code (Determinations of Contractor Nonresponsibility and Contractor Debarment).

The above penalties shall also apply to any entity that has previously obtained proper certification, however, as a result of a change in their status would no longer be eligible for certification, and fails to notify the Department of Consumer and Business Affairs of this information prior to responding to a solicitation or accepting a contract award.

K. Local Small Business Enterprise Preference Program

This CONTRACT is subject to the provisions of COUNTY's ordinance entitled Local Small Business Enterprise Preference Program, as codified in Chapter 2.204 of COUNTY Code.

CONTRACTOR shall not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a Local Small Business Enterprise.

CONTRACTOR shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a COUNTY official or employee for the purpose of influencing the certification or denial of certification of any entity as a Local Small Business Enterprise.

If CONTRACTOR has obtained COUNTY certification as a Local Small Business Enterprise by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this CONTRACT to which it would not otherwise have been entitled, shall:

- Pay to COUNTY any difference between this CONTRACT amount and what COUNTY's costs would have been if this CONTRACT had been properly awarded.

- In addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than ten percent of the amount of this CONTRACT.
- Be subject to the provisions of Chapter 2.202 of COUNTY Code (Determinations of Contractor Nonresponsibility and Contractor Debarment).

The above penalties shall also apply to any business that has previously obtained proper certification, however, as a result of a change in their status would no longer be eligible for certification, and fails to notify the State and the Department of Consumer and Business Affairs of this information prior to responding to a solicitation or accepting a contract award.

L. Disabled Veteran Enterprise Preference Program

This CONTRACT is subject to the provisions of COUNTY's ordinance entitled Disabled Veteran Business Enterprise (DVBE) Preference Program, as codified in Chapter 2.211 of COUNTY Code.

CONTRACTOR shall not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a DVBE.

CONTRACTOR shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a COUNTY official or employee for the purpose of influencing the certification or denial of certification of any entity as a DVBE.

If CONTRACTOR has obtained certification as a DVBE by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this CONTRACT to which it would not otherwise have been entitled, shall:

- Pay to COUNTY any difference between the CONTRACT amount and what COUNTY'S costs would have been if the CONTRACT had been properly awarded.
- In addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than ten percent of the amount of the CONTRACT.
- Be subject to the provisions of Chapter 2.202 of COUNTY Code (Determinations of Contractor Nonresponsibility and Contractor Debarment).

Notwithstanding any other remedies in this contract, the above penalties shall also apply to any business that has previously obtained proper certification, however, as a result of a change in their status would no longer be eligible for certification, and fails to notify the State and the Department of Consumer and Business Affairs of this information prior to responding to a solicitation or accepting a contract award.

M. **CONTRACTOR Responsibility and Debarment**

1. **Responsible CONTRACTOR**

A responsible CONTRACTOR is a CONTRACTOR who has demonstrated the attribute of trustworthiness as well as quality, fitness, capacity, and experience to satisfactorily perform the CONTRACT. It is COUNTY's policy to conduct business only with responsible CONTRACTORS.

2. **Chapter 2.202 of COUNTY Code**

CONTRACTOR is hereby notified that, in accordance with Chapter 2.202 of COUNTY Code, if COUNTY acquires information concerning the performance of CONTRACTOR on this or other contracts which indicates that CONTRACTOR is not responsible, COUNTY may, in addition to other remedies provided in this CONTRACT, debar CONTRACTOR from bidding or proposing on, being awarded, and/or performing work on COUNTY contracts for a specified period of time, which generally will not exceed 5 years but may exceed 5 years or be permanent if warranted by the circumstances, and suspend or terminate any or all existing contracts CONTRACTOR may have with COUNTY.

3. **Nonresponsible CONTRACTOR**

COUNTY may debar a CONTRACTOR if the Board finds, in its discretion, that CONTRACTOR has done any of the following: (1) violated any term of a contract with COUNTY or a nonprofit corporation created by COUNTY; (2) committed an act or omission which negatively reflects on CONTRACTOR's quality, fitness, or capacity to perform a contract with COUNTY, any other public entity, or a nonprofit corporation created by COUNTY, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or offense which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against COUNTY or any other public entity.

4. **Contractor Hearing Board**

- a. If there is evidence that CONTRACTOR may be subject to debarment, Public Works will notify CONTRACTOR in writing of the evidence which is the basis for the proposed debarment and will advise CONTRACTOR of the scheduled date for a debarment hearing before Contractor Hearing Board.
- b. Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. CONTRACTOR and/or CONTRACTOR's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, Contractor

Hearing Board will prepare a tentative proposed decision, which shall contain a recommendation regarding whether CONTRACTOR should be debarred, and, if so, the appropriate length of time of the debarment. CONTRACTOR and Public Works shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

- c. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of Contractor Hearing Board shall be presented to the Board. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of Contractor Hearing Board.
- d. If a CONTRACTOR has been debarred for a period longer than five years, that CONTRACTOR may, after the debarment has been in effect for at least five years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. COUNTY may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that CONTRACTOR has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of COUNTY.
- e. Contractor Hearing Board will consider a request for review of a debarment determination only where (1) CONTRACTOR has been debarred for a period longer than five years; (2) the debarment has been in effect for at least five years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by Contractor Hearing Board pursuant to the same procedure as for a debarment hearing.
- f. Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of Contractor Hearing Board.

5. Subcontractors of CONTRACTOR

These terms shall also apply to Subcontractors of COUNTY CONTRACTORS.

N. Reporting Requirements for Improper Solicitations

CONTRACTOR shall immediately report any attempt by a COUNTY officer or employee to solicit improper consideration. CONTRACTOR shall make the report either to COUNTY manager charged with the supervision of the employee or to COUNTY Fraud Hotline at (800) 544-6861 or www.lacountyfraud.org. Among other items, improper consideration may take the form of cash; discounts; service; or the provision of travel, entertainment, or tangible gifts.

O. COUNTY's Quality Assurance Plan

COUNTY or its agent will monitor CONTRACTOR's performance under this CONTRACT on not less than an annual basis. Such monitoring will include assessing CONTRACTOR's compliance with all this Contract's terms and conditions and performance standards. CONTRACTOR deficiencies which COUNTY determines are significant or continuing and that may place performance of this CONTRACT in jeopardy, if not corrected, will be reported to the Board. The report will include improvement/corrective action measures taken by COUNTY and CONTRACTOR.

If improvement does not occur consistent with the corrective action measures, COUNTY may suspend or terminate this CONTRACT for default or impose other penalties as specified in this CONTRACT.

P. Local Small Business Enterprise Utilization

When requested by COUNTY, CONTRACTOR shall provide to COUNTY via methods specified by COUNTY, such as submission of electronic live (or dynamic) data on invoices for the prime and all subcontractors using COUNTY-designated third-party software system or to a COUNTY approved website, or other means of submitting expenditure information on subcontractors, including but not limited to the following information: the name, business address and telephone number/email address of each subcontractor.

In addition, CONTRACTOR shall be required to provide each of the specified subcontractor Local Small Business Enterprise (SBE), Disabled Veteran Business Enterprise (DVBE), and Social Enterprise (SE) status (i.e., whether any of the listed subcontractors are Local SBE's) and the proposed monetary amount of the work the subcontractor will perform on each Notice to Proceed. At the time of submittal of each invoice, CONTRACTOR shall indicate, via methods specified by COUNTY, the actual dollar amounts paid to each listed subcontractor who performed work on the

project. The subcontractor may be requested to confirm receipt of the actual payment to the subcontractor by the prime.

The parties agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure to CONTRACTOR to comply with this Section. The parties will agree that under the current circumstances a reasonable estimate of such damages is specified in Exhibit F, Performance Requirements Summary, and that CONTRACTOR shall be liable to COUNTY for said amount.

If in the judgment of Director, or his/her designee, CONTRACTOR is deemed to be in non-compliance with the terms and obligations, Director or his/her designee, at his/her option, in addition to, or in lieu of, other remedies provided in Exhibit F, Performance Requirements Summary, may deduct and withhold liquidated damages from COUNTY's final payment to CONTRACTOR.

Q. Compliance with COUNTY's Zero Tolerance Human Trafficking

CONTRACTOR acknowledges that COUNTY has established a Zero Tolerance Human Trafficking Policy prohibiting contractors from engaging in human trafficking.

If a CONTRACTOR or member of CONTRACTOR's staff is convicted of a human trafficking offense, COUNTY shall require that CONTRACTOR or member of CONTRACTOR's staff be removed immediately from performing services under the Contract. COUNTY will not be under any obligation to disclose confidential information regarding the offenses other than those required by law.

Disqualification of any member of CONTRACTOR's staff pursuant to this paragraph shall not relieve CONTRACTOR of its obligation to complete all work in accordance with the terms and conditions of this Contract.

R. Method of Payment and Required Information

The County may, at its sole discretion, determine the most appropriate, efficient, secure, and timely form of payment for any amounts due for goods and/or services provided under a Contract with the County. Proposers/Contractors further agree that the default form of payment shall be Electronic Funds Transfer (EFT) or direct deposit, unless an alternative method of payment is deemed appropriate by the Auditor-Controller (A-C).

Upon Contract award and at the request of the A-C and/or the Department of Public Works, the Contractor shall provide the A-C with electronic banking and related information for the Contractor and/or any other payee that the Contractor designates to receive payment pursuant to this Contract. Such electronic banking and related information includes, but is not limited to: bank account number and routing number, legal business name, valid taxpayer identification number or TIN, a working e-mail address capable of receiving remittance advices and other

payment related correspondence, and any other information that the A-C determines is reasonably necessary to process the payment and comply with all accounting, recordkeeping, and tax reporting requirements.

Any provision of law, grant, or funding agreement requiring a specific form or method of payment other than EFT or direct deposit shall supersede this requirement with respect to those payments. Upon Contract award or at any time during the duration of the Contract, a Contractor may submit a written request for an exemption to this requirement. Such request must be based on specific legal, business or operational needs and explain why the payment method designated by the A-C is not feasible and an alternative is necessary. The A-C, in consultation with the Department of Public Works, shall decide whether to approve exemption requests.

S. Compliance with Fair Chance Employment Hiring Practices Certification

Contractor shall comply with fair chance employment hiring practices set forth in California Government Code Section 12952, Employment Discrimination: Conviction History. EXHIBIT 7 – Contract Services (Adjustment of Service Fees)

A. Service Fee Schedule

CONTRACTOR shall charge Customer Service Fees and County Service Fees in amounts less than or equal to the Service Fees set forth in the Service Fee Schedule in Attachments 7-2 and 7-3 of this Exhibit.

1. Time, Conditions, Changes

a. *Annual Adjustments*

(1) Automatic (Indices):

Beginning at least 6 months after the Commencement Date, Director will automatically adjust the Consumer Price Index (CPI), Department of Energy (DOE) Compressed Natural Gas (CNG), or Energy Information Agency (EIA) Liquefied Natural Gas (LNG) components of the Service Fee each July 1 in accordance with subsections A1 a(3), B, C and D.

(2) Requested (Disposal and Diversion):

Beginning at least 12 months after the Commencement Date, Director will adjust the Disposal and Diversion components of the Service Fee each July 1 in accordance with subsection A1a (3) and E in the following events:

- CONTRACTOR requests adjustment of those components by Notice to Director together with documentation satisfactory to Director by March 1 of each year, and
- COUNTY initiates an adjustment of those components by Notice to CONTRACTOR together with documentation satisfactory to Director by March 1 of each year.

(3) Changes:

Director will adjust the Service Fee for the following changes, if any:

- **Indices (After 6 Months):** Annual changes, if any, in the following indices, as applicable, defined in Section G of this Exhibit 7:

- **CPI:** Consumer Price Index (CPI),
- **DOE CNG:** of Energy (DOE) Compressed Natural Gas (CNG), or
- **EIA LNG:** Energy Information Agency (EIA) Liquefied Natural Gas (LNG)

in accordance with the Service Fee adjustment protocol in subsections B, C, and D; or

- **Disposal Tipping Fees (after 12 Months):** Annual change, if any, in CONTRACTOR'S Direct Costs of Refuse Disposal, such as changes in publicly-posted tipping fees, on January 1 at the Solid Waste Facility it has designated in CONTRACTOR Documentation, Exhibit 3D, and any other supporting documentation, submitted to Director by March 1; or
- **Disposal or Diversion of Green Waste (after 12 Months):** Annual changes in CONTRACTOR'S costs of Disposal or Diversion of Green Waste, such as public tipping fees, on January 1 from the Solid Waste Facility it has designated in CONTRACTOR Documentation in Exhibit 3D, and any other supporting documentation, submitted to Director by March 1.

b. Adjustments at Any Time

If CONTRACTOR requests Director by Notice or Director Notifies CONTRACTOR at any time, following agreement with CONTRACTOR, the Director may adjust the Service Fees in either of the following events, subject to changes in Refuse Disposal or Green Waste Diversion in subsection A4, and limitations in A6:

(1) Changes in Law

Change in CONTRACTOR'S Direct Costs of providing Contract Services due to Changes in Law, except for any adjustment in the Service Fee due to a Change in Law by the State which is not included in the Maximum Rate Adjustment in subsection 4; and

(2) Changes in Scope of Service

Up to ten percent of CONTRACTOR'S Direct Costs of providing Contract Services due to changes in Contract Services or Standards.

If CONTRACTOR and Director disagree on the adjustment of Service Fees due to Changes in Law, Contract Services or Standards, COUNTY will have the option to terminate this CONTRACT in accordance with Part 6D of Exhibit 5.

c. *No Adjustment*

Service Fees will not be adjusted:

- Within six or twelve months of the Commencement Date with respect to item A1a(1) and items A1a(2-3) respectively.
- During any of the six possible one-month extensions under item A3 of Section 2.
- If there are any uncured Breaches.
- For any Changes other than changes explicitly listed in preceding subsections a. Annual Adjustments, b. Adjustment as any Time, including for actual changes in the price of fuel or Disposal or Diversion costs.

d. *Sample Calculation*

A sample calculation is attached in Attachment 7-1 of this Exhibit.

2. Rounding

All calculations are rounded to the nearest 1/100th decimal place (for example, 10.9656 percent to 10.97 percent, or 10.9637 percent to 10.96). The decimal 5 is rounded up (for example, 10.965 percent to 10.97 percent). Adjustments in Service Fees are rounded to the nearest penny (for example, \$25.34).

3. Weighted Adjustment

a. *Serviced Fee Components:*

The monthly Service Fees for Contract Services will be divided into the following cost components and adjusted by these percentages:

Labor (and other general costs of Contract Services)	65%
Fuel	5%
Refuse Disposal	20%
Green Waste	10%
Organics Disposal and Diversion:	0%
• Green Waste	
• Food Waste	
Food Waste Diversion-only	0%
Recyclables Diversion	0%

A sample calculation is attached in Attachment 7-1 of this Exhibit.

b. *Modifications in Weight of Disposal/Diversion Components.*

COUNTY acknowledges that CONTRACTOR's costs of providing Disposal and Diversion may change significantly. Before each July 1, Director will review service fees under its contracts that are substantially like this Contract, including contracts for residential collection service with carts. In its sole discretion, COUNTY may adjust (or refrain from adjusting) the following components' related percentage:

- **Refuse Disposal** percent, and
- **Green Waste Diversion** percent.

For example, if Green Waste Diversion costs rise, the Director might make the following adjustments:

- Increase Green Waste Diversion percentage from 10 percent to 12 percent for both the Santa Monica Mountains and Avocado Heights even though those costs were different in the two Service Areas; and
- Correspondingly decrease the Disposal percent from 20 percent to 18 percent.

Director will not make an adjustment solely to this CONTRACT but not in other, similar contracts.

Director will not modify the weighted 65 percent labor or 5 percent fuel components of the Service Fee.

A sample modification is attached to this Exhibit as Attachment A3(4).

4. Maximum Rate Adjustment

Cumulative adjustments to the Service Fees cannot exceed the percentages in the following table, except for changes due to acts of the State:

Contract Period (on July 1)*	Maximum Cumulative Service Fee Adjustment**
Years 0 to 1 (Commencement Date to the first July 1)	0 percent
Years 2 to 7 (The first July 1 to the scheduled Termination Date under Section 2)	35 percent
Years 8 to 9 / Extension #1, if any (July 1 of any first 2-year extension to June 30 on the extended Termination Date)	45 percent

Years 10 to 11 / Extension #2, if any (July 1 of any 2-year extension to June 30 further extended Termination Date)	55 percent
Any time (Changes in direct costs due to Change In Law by the State)	Actual Direct Costs
Six 1-month extensions, if any	No Change

- * Rate adjustments due to Changes in Laws or Contract Services under subsection A1 above may be implemented at any time during the Term.
- ** Any change in Service Fees for direct costs due to Changes in Law promulgated by the State are not included in the percentage calculations of the Maximum Cumulative Service Fee Adjustment. They are added to the percentage calculations.

For example, during the first seven years of the CONTRACT, the Service Fee could increase 35 percent plus an allocable amount due to an increase of \$4 per ton on the State-mandated disposal fee.

5. Customer 30-Day Notice

CONTRACTOR shall provide all Customers a minimum of 30-days written notice of the implementation of changes in any Customer Service Fees.

6. Adjustment Limitations

No adjustment will be effective until notice thereof has been provided to the Board of Supervisors.

7. Services Eligible for Adjustment

a. Customer Service Fee (CPI, Fuel, and Disposal/Diversion)

Use methodology in items C, D, E, and F of Exhibit 7

b. Recyclables

There is no adjustment for Recyclables at this time. However, Director may include a Director determined adjustment at any time in in the future, at Director's sole discretion. A reason for an adjustment may include a significant change in the value of a commodity.

c. Locking Recyclables Cart Fee (CPI)

Use methodology in item C of Exhibit 7

d. County Service Fee (Task 2)

Use methodology in items C, D, E, and F of Exhibit 7.

B. This item is no longer used

C. Service Fee Adjustment for Annual Increase or Decrease in CPI

Beginning on or after six months must elapse from the Commencement Date to July 1 of the current year, the CPI component of the Service Fee will be adjusted by 100 percent of the percent change, if any, between the following:

- The monthly average CPI during the 12-month period commencing March 1 of the previous year to the last day of February of the current year, and
- The monthly average CPI during the 12-month period commencing March 1 of the next previous year to the last day of February of the previous year.

For example, a contract that started April 1, 2018, will not be eligible for a rate adjustment for CPI on July 1, 2018. On July 1, 2019, the rate adjustment would compare March 1, 2018 through February 28, 2019, to March 1, 2017 through February 28, 2018.

However, under COUNTY regulations, any percentage change shall not exceed the general salary movement granted to COUNTY employees as determined by COUNTY's Chief Administrative Office as of July 1 for the prior Fiscal Year. Furthermore, should fiscal circumstances ultimately prevent the Board from approving any change in COUNTY employee salaries; no cost-of-living adjustment will be granted.

D. Service Fee Adjustment for Annual Increase or Decrease in Fuel

A minimum of six months must elapse between Commencement Date and July 1 of the current year. The DOE CNG component of the Service Fee adjustment will apply only to the percentage of Vehicles in a fleet that use compressed natural gas. The adjustment of the DOE LNG component will apply only to the percentage of Vehicles in a fleet that use LNG. The adjustment of the DOE Diesel component will apply only to the percentage of Vehicles in a fleet that uses diesel.

1. Adjustment Due to Change in DOE CNG

The CNG Fuel Component of the Service Fees will be adjusted by the percent change, if any, between the following:

- The DOE CNG quarterly averages commencing in January of the prior year and ending in December of the prior year (averages for the fourth quarter are not available early enough to be used), and
- The DOE CNG quarterly averages commencing January of the previous year through December of the prior previous year.

2. Adjustment Due to Change in Energy Information Administration (EIA) LNG

The EIA LNG Fuel Component of the Service Fees will be adjusted by the percent change, if any, between the following:

- The EIA LNG monthly average during the 12-month period commencing March 1 of the previous year to the end of February of the current year, and
- The EIA LNG monthly average during the 12-month period commencing March 1 of the prior previous year to the end of February of the previous year.

3. Adjustment Due to Change in DOE Diesel

Beginning on July 1 in the second Calendar Year after commencement of Collection and thereafter on each succeeding July 1, the Diesel Fuel Component will be adjusted by the percent change, if any, between the following:

- The DOE Diesel during the 12-month period commencing April 1 of the previous year to March 31 of the current year, and
- The DOE Diesel during the 12-month period commencing April 1 of the next previous year to March 31 of the previous year.

For example, a contract that started April 1, 2018, will not be eligible for a rate adjustment for CNG on July 1, 2018. On July 1, 2019, the rate adjustment would compare:

- January 2018 through December 2018, and
- January 2017 through December 2017.

The rate adjustment for LNG would also not be eligible on July 1, 2018. On July 1, 2019, the rate adjustment would compare:

- March 1, 2018 through February 28, 2019, and
- March 1, 2017 through February 28, 2018.

E. Service Fee Adjustment for Changes in Refuse Disposal and Green Waste Diversion Facility Fees

The Disposal and Diversion Components of Net Service Fees will be adjusted for any change in Refuse Disposal and Green Waste Diversion tipping fees charged by the Solid Waste Facility designated by CONTRACTOR in CONTRACTOR Documentation in Exhibit 3D. A minimum of 12 months must elapse between Commencement Date and July 1 of the current year. Director may conditionally approve changing the Solid Waste facilities to a more expensive facility by not allowing the increased cost to be passed down to the Customer.

1. Facilities Open to Public

The Refuse Disposal and Green Waste Diversion components of the Service Fees will be adjustment by the percent change, if any, between the following:

- The Refuse Disposal and Green Waste Diversion posted tipping fees on January 1 of the current year, and
- The Refuse Disposal and Green Waste Diversion posted tipping fees on January 1 of the previous year.

2. Facilities Not Open to Public

The Refuse Disposal and Green Waste Diversion components of the Service Fees will be adjustment by the percent change, if any, between the following:

- The cost for Refuse Disposal and Green Waste Diversion on January 1 of the current year, and
- The cost for Refuse Disposal and Green Waste Diversion on January 1 of the previous year.

CONTRACTOR must substantiate to the satisfaction of Director changes in tipping fees CONTRACTOR is paying at the Solid Waste Facility by submitting before March 1, monthly invoices from the Solid Waste Facility, showing the total tons and rate paid for Disposal/Diversion.

- If CONTRACTOR owns the Solid Waste Facility, it must show the posted gate rate paid by the public that has no financial agreement with CONTRACTOR, by contract or letter-of-agreement, unless there is no posted gate rate.
- If CONTRACTOR owns the Solid Waste Facility but has no posted gate rate, CONTRACTOR must substantiate changes in tipping fees by submitting other documentation acceptable to Director.

If CONTRACTOR does not substantiate to the satisfaction of Director that CONTRACTOR is experiencing that change in tipping fees, the Disposal/Diversion Component will not be adjusted.

For example, CONTRACTOR may own the Solid Waste Facility it designated for Disposal and consequently internalize Disposal costs at the Solid Waste Facility. The costs however must be adequately explained.

3. Transfer (Trans) Loading Plus Disposal/Diversion Elsewhere

The Refuse Disposal and Green Waste Diversion components of the Service Fees will be adjusted by the percent change, if any, between the following:

- The cost for Refuse and Green Waste transferring, transporting, and Disposal/Diversion on January 1 of the current year, and
- The cost for Refuse and Green Waste transferring, transporting, and Disposal/Diversion on January 1 of the previous year.

CONTRACTOR must substantiate to the satisfaction of Director fees CONTRACTOR is paying by submitting before March 1, invoices from the Solid Waste Facility, showing the total tons and rate paid for transfer loading, expenses for transporting to another facility, Disposal/Diversion at another facility, and any other documentation to support expenses. If CONTRACTOR does not substantiate to the satisfaction of Director that CONTRACTOR is experiencing that change in tipping fees, the Disposal/Diversion Component will not be adjusted.

For example, CONTRACTOR may be paying the Solid Waste Facility \$10 per ton to a Materials Recovery Facility but will have additional expenses to Transport the Refuse to another facility, plus the expense for Disposal at the second facility.

F. Future Service Fee Adjustment Components

As of the Commencement Date, certain expenses in item P of Exhibit 31A are zero because CONTRACTOR does not incur them. The weighted adjustments in subsection B3 above may be changed if CONTRACTOR incurs those expenses after the Commencement Date. For example, as of the Commencement Date CONTRACTOR has no expenses for Food Waste collection as shown by zero in item P of Exhibit 3A1. If COUNTY converts the Green Waste Container to an organics Container for both Green Waste and Food Waste, or adds a separate Food Waste Container, those negotiated expenses discussed would no longer be zero.

You must place refuse, recyclable materials, and organics in the appropriate carts. Materials placed outside of carts will not be picked up unless previous arrangements have been made.

When Carts are Allowed at Set-Out Site. Carts must only be placed at the set-out site for collection within the hours 5:00 p.m. on the day before scheduled collection and 8:00 p.m. on the day of collection or 2 hours after collection, whichever is later.

If your scheduled collection day falls on or after a holiday, collection will be delayed during the holiday week by one day (Friday customers will have their collection on Saturday). The holidays we observe are Memorial Day, Independence Day, Labor Day, Thanksgiving, Christmas, and New Year's Day. Should there be a permanent change in your scheduled collection day, we will notify you in advance. Roll-out service will be provided to these customers during their weekly collection of trash, recyclable materials, and organics, as well as during the annual curbside clean-up event, holiday tree pickup, and additional on-call pickups. These services are also available to any other customer upon request at the charge listed on the rate sheet. We will ask you to sign a waiver of damage liability and/or indemnification prior to providing this service.

How to Change to Different Sized Carts. If you have space restrictions at your container storage or set-out site, you may request alternatives to 35 gallon carts. In the same aggregate capacity, free of charge.

Your bill is due no later than the last day of the first month, for example, on April 30.
