**FINDING OF CONFORMANCE REQUIREMENTS
PEBBLY BEACH LANDFILL
1 DUMP ROAD, AVALON, CALIFORNIA 90704
SOLID WASTE FACILITY PERMIT NO. 19-AA-5624**

Pursuant to the Countywide Siting Element, new solid waste disposal facilities, expansions of existing solid waste disposal facilities, or existing solid waste disposal facilities that have significant changes to their operation must obtain a Finding of Conformance (FOC)¹ from the Los Angeles County Solid Waste Management Committee/Integrated Waste Management Task Force (Task Force). As Chair of the Task Force, I am informing you that we are working with the City of Avalon on their request for a FOC for the Pebbly Beach Landfill expansion. It is my understanding that Avalon Environmental Services, a subsidiary of CR&R Inc., submitted their proposal along with an application for an extension to the landfill's conditional use permit to Regional Planning. For your awareness, the Task Force determined that the City of Avalon must submit a FOC application and begin the formal conformance review process.

If you have any questions, please let me know, or your staff may contact Ms. Emiko Thompson, at (626) 458-3500 or ethomp@pw.lacounty.gov.
