

LOS ANGELES COUNTY WATERWORKS DISTRICT NO. 29

DISTRICT NO. 29 CREEK CROSSING REPAIR PROJECT

Scope:

Repair the region's water main at several creek crossing locations on PCH. The waterline at these locations is severely deteriorated, aging, and subject to leaks.

Location:

City of Malibu — Topanga Canyon Creek, Pena Canyon Creek, Las Flores Canyon Creek, Coal Canyon Creek, Corral Canyon Creek, Escondido Canyon Creek, Zuma Canyon Creek, Trancas Canyon Creek

Benefits:

Improve water quality, system reliability, and protect the health and safety of existing customers.

Status:

Design phase

Construction:

Start Date - August 2021
