

# LOS ANGELES COUNTY WATERWORKS DISTRICT NO. 29

## EMERGENCY SOURCE OF WATER SUPPLY CONNECTION (LAS VIRGENES CONNECTION)

### Scope:

Construct a transmission waterline that will connect to the Las Virgenes Municipal Water District interconnection. This will provide a vital water source for the region in case of emergencies.

### Location:

City of Malibu — Encinal Canyon Road

### Benefits:

Improve system reliability and protect the health and safety of existing customers.

### Status:

Design phase

### Construction:

Start Date - July 2022
